GENERAL PROVISIONS

The provisions of the Procurement Ordinance for the Consolidated Government of Columbus, Georgia as adopted and amended by Council shall apply to all invitations for bids and award of all contracts and is specifically incorporated herein by this reference. A copy of the ordinance is on file in the Purchasing Division.

- 1. TERM "CITY".** The term "City" as used throughout these documents will mean Consolidated Government of Columbus, Georgia.
- 2. PREPARATION OF FORM.** Bid proposals shall be submitted on the forms provided by the City. All figures must be written in ink or typewritten. Figures written in pencil or erasures are not acceptable. However, mistakes may be crossed out, corrections inserted adjacent thereto, initialed in ink by the person signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Failure to properly sign forms, in ink, will render bid incomplete.
- 3. EXECUTION OF THE BID PROPOSAL.** Execution of the bid proposal will indicate the bidder is familiar and in compliance With all local laws, regulations, ordinances, site inspections, licenses, dray tags, etc.
- 4. BID DUE DATE.** The bid submission must arrive in the Purchasing Division on or before the stated due date and time. Upon receipt, bids will be time and date stamped. Bids will remain sealed and secured until the stated due date and time for the bid opening.
- 5. BID OPENING.** Bids shall be opened publicly in the presence of one or more witnesses at the time and place stated in the public notice. The amount of each bid, the bidder's name and such other relevant information as the Purchasing Manager deems appropriate shall be recorded and retained in accordance with Georgia law. The record and each bid shall be open to the public in accordance with Article 3. 301A of the Procurement Ordinance (Public Access to Procurement Information).
- 6. LATE BIDS.** It is the responsibility of the bidder to ensure bids are submitted by the specified due date and time. Bids received after the stated date and time will be returned, unopened, to the bidder. The official clock to determine the date and time will be the time/date stamp located in the Finance Department. All bids received will be time and date stamped by the official clock. The City will not be held responsible for the late delivery of bids due to the U.S. Mail Service, or any other courier service.
- 7. RECEIPT OF ONE SEALED BID.** In the event only one sealed bid is received, no formal bid opening shall take place. First, the Purchasing Division shall conduct a survey of vendors to inquire of "no bid" responses and non-responsive vendors. If, from the survey, it is determined by the Purchasing Division that specifications need revision, the one bid received will be returned, unopened, to the responding vendor, with a letter of explanation and a new bid solicitation prepared. If it is determined that other vendors need to be contacted, the bid due date will be extended, and the one bid received will remain sealed until the new bid opening date. The vendor submitting the single bid will receive a letter of explanation.

If it is determined the one bid received is from the only responsive, responsible bidder, then the bid shall be opened by the Purchasing Division Manager or designee, in the presence of at least one other witness. The single bid will be evaluated by the using agency for award recommendation.

- 8. RECEIPT OF TIE BIDS.** In the event multiple responsive, responsible bidders are tied for the lowest price and all other terms and requirements are met by all tied bidders, the award recommendation shall be resolved in the order of the preferences listed below:
 1. Award to the local bidder whose principal place of business is located in Columbus, Georgia.
 2. Award to bidder previously awarded based on favorable prior experience.
 3. Award to bidder whose principal place of business is located in the State of Georgia.
 4. If feasible, divide the award equally among the bidders.
 5. If it is not feasible to award equally and only two bidders are tied, perform a coin toss in the presence of the two bidders, either in person or virtually.
 6. *If the above preferences are insufficient to resolve the tie, all bid responses will be rejected and the bid will be re-advertised.*

9. RECEIPT OF MULTIPLE BIDS. Unless otherwise stated in the bid specifications, the City will accept one and only one bid per vendor. Any unsolicited multiple bid(s) will not be considered. If prior to the bid opening, more than one bid is received from the same vendor, the following will occur: (1) the bidder will be contacted and required to submit written acknowledgment of the bid to be considered; (2) the additional bid(s) will be returned to the bidder unopened. If at the bid opening more than one bid is enclosed in a single bid package, the City will consider the vendor non-responsive and bids will be returned to the bidder.

10. CONDITIONS AND PACKAGING. Unless otherwise defined in the bid specifications, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition, that all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.

10. FREIGHT/SHIPPING/HANDLING CHARGES. All freight, shipping, and handling charges shall be included in the bid price. The City will pay no additional charges.

12. CORRECTION OR WITHDRAWAL OF BIDS; CANCELLATION OF AWARDS

Mistakes discovered before bid opening may be modified or withdrawn by written notice received in the Purchasing Division.

After bid opening, corrections in bids shall be permitted only to the extent that the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake and the bid price actually intended. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the City or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if the mistake is clearly evident on the face of the bid document but the intended correct bid is not similarly evident, or if the bidder submits evidence which clearly and convincingly demonstrate that a mistake was made.

All decisions to permit correction or withdrawal of bids or to cancel awards of contracts based on bid mistakes will be supported by the Purchasing Manager's written determination.

13. ADDENDA AND INTERPRETATIONS. If it becomes necessary to revise any part of this bid, a written addendum will be provided to all bidders. The City is not bound by any oral representations, clarifications, or changes made to the written specifications by City employees, unless such clarification or change is provided to the bidders in written addendum form from the Purchasing Officer. Bidders will be required to acknowledge receipt of the addenda (if applicable) in their sealed bid proposal. The vendor may provide an initialed copy of each addendum or initial the appropriate area on the bid form (pricing page). Failure to acknowledge receipt of the addenda (when applicable) will render bid incomplete. **It is the bidder's responsibility to ensure that they have received all addenda.**

14. BID RECEIPT AND EVALUATION. Bids shall be unconditionally received without alteration or correction except as authorized in the City's Procurement Ordinance. Bids shall be evaluated based on requirements set forth in the Invitation for Bid, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose.
