PROPOSALS WILL BE EVALUATED IN ACCORDANCE WITH THE PROCEDURES AS OUTLINED BELOW IN SECTION 3-110 OF THE PROCUREMENT ORDINANCE. ALL PROPOSALS WILL BE KEPT CONFIDENTIAL UNTIL AFTER AWARD.

3-110. Competitive Sealed Proposals (Negotiations)

(1) Conditions for Use

When the Purchasing Manager determines that the use of competitive sealed bidding for any procurement is either not practicable or not advantageous to the City, a contract may be entered into using the competitive sealed proposals (negotiation) method. In addition, the competitive sealed proposal process shall be used for the procurement of professional services, specialized equipment or supplies.

The competitive sealed proposal process may be used for procurements with an estimated total cost less than \$50,000.00, if deemed to be in the best interest of the City. If the total cost can be determined, the authority to approve such solicitations will be as prescribed by [article 3-104](#), Purchasing Limits. If, due to the required services, a total cost cannot be determined then the award recommendation will be approved by Council.

A. Request for Proposals

Proposals shall be solicited through Request for Proposals. The Purchasing Division shall establish the specifications with the using agency and set the date and time to receive proposals. The request for proposal shall include a clear and accurate description of the technical requirements for the service or item to be procured.

B. Public Notice

The public will be given adequate notice of the request for proposals, provided that, adequate notice shall mean at least fifteen (15) business days before the due date, which is stated in the request. ***The City reserves the right to seek request for proposals in a shorter period, if necessary, as determined by the Purchasing Manager.***

Notice shall be published in a reasonable time before due date, contain a description of the procurement in general terms, as well as, the place and due date for proposals, and appear in a newspaper(s) of general circulation, specifically the City's legal organ. In addition to publication in newspapers, notice shall also be made by electronic means, including posting on the internet and on the City's government access television channel.

Public works construction projects shall be advertised in accordance with Georgia State Law.

The City reserves the right to mail or e-mail invitations directly to vendors under the following circumstances:

- Solicitations for specialized equipment/supplies.
- Solicitations for specialized services.
- Re-bid of solicitations where normal advertising procedures netted no responses.
- Whenever deemed necessary by the purchasing manager.

C. Receipt of Proposals

Proposals must be received by the deadline date established. No public opening will be held. No proposals shall be handled to permit disclosure of the identity of any offeror or the contents of any proposal to competing offerors during the process of discussion. A register of proposals shall be prepared as part of the contract file, and shall contain the name of each offeror, the number of

modifications received (if any), and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after contract award.

D. Evaluation Factors

The request for proposals shall identify the relative importance of cost (when applicable) and other evaluation criteria.

E. Evaluation Process

An odd number of voting members of a Selection or Evaluation Committee shall evaluate all proposals received based upon the criteria stated in the request for proposals. Each voting committee member shall grade each submitted proposal based upon the evaluation criteria.

F. Discussion with Responsible Offerors and Revisions to Proposals

As provided in the Request for Proposals, discussions (negotiations) may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award, to assure full understanding of and conformance to the solicitation requirements. All qualified, responsible offerors shall be given fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of the identity of competing offerors or any information derived from proposals submitted by competing offerors. If only one proposal response is received, then the award recommendation shall be to the single offeror, if the offeror meets all requirements.

G. Award

After negotiations, the award recommendation must be presented to Columbus City Council for final approval. Award will be made to the responsible offeror whose proposal is determined to be the most advantageous to the City, taking into consideration total cost (if determined) and all other evaluation factors set forth in the Request for Proposals.

After Council approval, a contract based on the negotiations (if negotiations were necessary) will be drawn and signed by all necessary parties. If Council does not approve the award, it may direct that further negotiations may take place with the recommended offeror, or that negotiations begin with the next most qualified offeror. Council may also exercise the option to reject all offers and instruct the Purchasing Manager to begin the procurement process again. The contract file shall contain the basis on which the award is made.

After contract award, the contract file, will be made public. Unsuccessful offerors will be afforded the opportunity to make an appointment with the Purchasing Division for a debriefing. After the award, the contract file and the unsuccessful proposals will become subject to disclosure under the Georgia Open Records Act.

Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the contractor has notified the Purchasing Division Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of public enemy; acts of the City and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather, If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed to be in default, unless the supplies or services to be furnished by the subcontractor was reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements.

Upon request of the contractor, the Purchasing Division Director shall ascertain the facts and extent of such failure, and, if such director determines that any failure to perform was occasioned by anyone or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly.

GENERAL SPECIFICATIONS

ON-CALL ELECTRICAL INSTALLATION AND MAINTENANCE SERVICES (Annual Contract) – RFP No. 27-0009

I. SCOPE

It is the intent of the Columbus Consolidated Government (City) to establish an annual contract with a Primary and a Secondary contractor to provide all labor, equipment and materials for on-call Electrical installation and maintenance services during normal business hours and after hours on an “as needed basis”, on all buildings and structures for Columbus Consolidated Government.

This contract will be awarded to a Primary Contractor and a Secondary Contractor. The Primary and Secondary Contractors will be selected based on the two highest ranked vendors, who best meet the specifications. The City will be the judge of the factors and will make the award accordingly. The Primary Contractor will be contacted first. If the Primary Contractor is unable to provide the required services, then the City will contact the Secondary Contractor to render the needed services.

This contract may also be utilized by any other City agency requiring the services. If so, cost will be negotiated at the time the services are required.

The City reserves the right to bid any project separately if deemed to be in the best interest of the City.

The City reserves the right to waive any informality in any proposal, and to reject any or all proposals. The City also reserves the right not to enter into any contract as a result of this request for proposal.

Technical Specifications begin on page 19.

II. TERM OF CONTRACT

- A.** The initial term of the contract will be for two years, with the option to renew for three additional twelve-month periods. Contract renewal shall be contingent upon the mutual agreement of the City and the Contractor.

Notice of intent to renew will be given to the contractor in writing by the City Purchasing Manager, normally sixty days before the expiration date of the current contract period.

It should be noted that multi-year contracts may be continued each fiscal year only after funding appropriations and program approvals have been granted by the Council of the Consolidated Government of Columbus, Georgia. In the event that the necessary funding is not approved, then the affected multi-year contract becomes null and void, effective July 1st of the fiscal year for which such approval has been denied.

B. Termination for Convenience:

For the protection of both parties, either party giving 90 days prior notice, in writing, to the other party, may cancel this contract.

III. PRICE ADJUSTMENT CLAUSE

Contract pricing shall remain fixed for the initial two-year term of the contract. After the initial term, Contractor may request a price escalation by submitting a fully documented request (i.e., documentation from manufacturers illustrating the necessity to implement price increases). ***Request for price increases, without***

documentation, shall not be considered. Such escalation shall not exceed a five percent (5%) increase. The using department(s) and the Purchasing Manager will review the request and shall approve or disapprove the increases based on budget constraints and other price comparisons.

If for any reason the contractor has a price increase that exceeds five percent (5%), the price increase will be evaluated on a case-by-case basis. The City and the Contractor will have the option to discuss and make adjustments to the requested increase. If either party declines approval of the adjustments, the contract will be considered cancelled on the scheduled expiration date of the contract.

IV. INDEMNITY CLAUSE

VIII. EVALUATION OF PROPOSALS

All proposals must be reviewed and scored by an evaluation committee. The evaluation process normally takes approximately 3 months before a recommendation is provided to Columbus Council for review. The evaluation process may take longer if the required services or products are complex in nature, if negotiations are required, if presentations are required, if demonstrations are required, if site visits are required, etc. If the Purchasing Division determines the evaluation process may exceed the specified Time for Consideration period, the Purchasing Division may request respondents to extend the Time for Consideration period.

During the evaluation process, the Purchasing Division will notify respondents, via email, if clarification or additional information is required regarding proposals.

B. Each submittal will be evaluated to determine the ability of each offeror to provide the required services. The following weighted criteria will be used to evaluate proposals:

Criteria	Weight
A. Qualifications and Experience	45%
B. Service Plan	35%
C. Client Work History	15%
D. Cost Proposal (<i>subject to negotiations</i>)	5%
Total	100%

Each of the above criteria (A-D) will be given a rating by each voting member of the Evaluation Committee. The ratings are as follows:

Description	Value
Poor = Is not qualified.	20 Points
Marginal = Is minimally qualified but one or more area is lacking in some essential aspect.	40 Points
Adequate = Is qualified and is generally capable of achieving the objectives of this RFP.	60 Points

Good = Is more than qualified and exceeds in some areas.	80 Points
Excellent = Is fully qualified and exceeds in several or more areas.	100 Points

After the review and rating of proposal (s) by the evaluation committee, individual scores will be averaged and ranked. Offerors will be ranked in descending order of numerical predominance.
