## **Advisory: Summer School Speed Zone Enforcement**

The Columbus Police Department is advising motorists that school zone speed enforcement will be active during the Muscogee County School District summer school sessions from June 2-25, 2026. Summer school classes will be held Monday through Thursday only. There will be no classes on Fridays during this period. A total of 15 active school days are scheduled.

Drivers should be aware that school zone enforcement will begin at the start of the flashing light times and continue throughout the duration of school hours until dismissal periods have ended. When school zone lights are flashing, motorists must obey the reduced 25 MPH school zone speed limit. When the flashing lights are not active during school hours, drivers must obey the regular posted speed limit for that roadway. Drivers traveling more than 10 MPH over the posted speed limit will receive a citation.
