7th Annual River City Motorcycle Rodeo Benefits Special Olympics Georgia

The Columbus Police Department and Rally Point Harley-Davidson will host the 7th Annual River City Motorcycle Rodeo on Saturday, October 10, 2026, at Rally Point Harley-Davidson (3230 Williams Road). Gates open at 9 a.m. The opening ceremony begins at noon, with the motorcycle competition starting immediately after.

The annual rodeo brings motorcycle officers and riders from across the region together for a day of competition while raising money for Special Olympics Georgia. Riders will navigate a motorcycle skills course that tests control, balance and precision.

Since the River City Motorcycle Rodeo began, the event has raised \$120,676 for Special Olympics Georgia. Proceeds from this year's event will once again support Special Olympics Georgia and the athletes it serves across the state.

Admission is free for spectators. Motorcyclists who want to compete can register for \$50. Participants are encouraged to register in advance here: <https://tinyurl.com/msppm9nc>

The event is open to the public and offers the community a chance to enjoy the competition while supporting a good cause.
