# Columbus, Georgía Georgía's First Consolidated Government

P.O. Box 1340, Columbus, Georgia 31902-1340

Honorable B. H. "Skip" Henderson III, Mayor Members of Council, and Citizens of Columbus, Georgia December 27, 2024

Ladies and Gentlemen:

I am pleased to present for your consideration this Annual Comprehensive Financial Report of the Consolidated Government of Columbus, Georgia (the "Consolidated Government") for the fiscal year ended June 30, 2024. State law requires that every general-purpose local government publish within six months of the close of the fiscal year a complete set of audited financial statements. Responsibility for both the accuracy of the data and the thoroughness and fairness of presentation including all disclosures rests with the Consolidated Government. I believe the data as presented is accurate in all material aspects, and that it is presented in a manner which presents fairly the financial position and results of operations of the Consolidated Government of Columbus, Georgia as measured by the financial activity of its various funds. All disclosures necessary to enable interested citizens to gain a reasonable understanding of the Consolidated Government's financial affairs have been included.

Mauldin & Jenkins, LLC, Certified Public Accountants has issued an unmodified ("clean") opinion on the Columbus Consolidated Government's financial statements for the year ended June 30, 2024. The independent auditor's report is located at the front of the financial section of this report.

Management's Discussion and Analysis ("MD&A") immediately follows the Independent Auditor's Report and provides an analysis of the past year's operations of general government and major enterprise activities, and an overview of the Consolidated Government's current and future economic picture as well as its major initiatives and financial accomplishments for the year. MD&A complements this letter of transmittal and should be read in conjunction with it.

The Columbus, Georgia Consolidated Government receives federal financial assistance through various federal grant programs. An audit in accordance with the Single Audit Act of 1984, P.L. 98-502, and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), and "Government Auditing Standards" issued by the Comptroller General of the United States has been performed for the fiscal year ended June 30, 2024. The required reports on supplementary information, compliance, and internal controls along with various supplementary schedules will be provided under a separate report cover.

### **Reporting Entity**

Columbus is a political subdivision of the State of Georgia created by virtue of a Constitutional Amendment authorizing the consolidation of the County of Muscogee with the City of Columbus, as ratified in a general election held on November 5, 1968. The General Assembly of the State of Georgia pursuant to powers in the Constitutional Amendment created a Charter Commission, which prepared and submitted a Charter for the Consolidated Government of Columbus. This Charter was ratified in an election held on November 3, 1970. Commencing January 1, 1971, Columbus became a consolidated city-county government, its territorial limits covering all 220 square miles of Muscogee County. Bibb City, a small textile community within the consolidated territory, requested that the State of Georgia repeal its charter effective January 1, 2001, and requested that the Consolidated Government assume responsibility of providing municipal services to Bibb City residents. The Georgia General Assembly passed House Bill 205, Act No. 36 on January 31, 2001 to repeal the charter of the Town of Bibb City and provided for the disposition of the assets, property, liabilities, and legal rights of the town.

Columbus is governed by a mayor and ten council members elected by the voters. The Mayor serves a fouryear term and is the official spokesperson for the Consolidated Government. The Mayor also functions as Public Safety Director. Members of the City Council serve four-year staggered terms. The eight district councilors represent specific districts within the territorial limits of Columbus. The two councilors-at-large are elected from the various districts. The City Manager, who is appointed by the Mayor and confirmed by Council, is responsible for the day-to-day operation of the government.

The Columbus Consolidated Government provides a full range of services to its citizens. This includes public safety (police, fire, and emergency medical services), transportation, sanitation, judicial, health and social services, recreation, community development and other general governmental services. In addition, Columbus operates a public transportation system, downtown parking garages, a civic center, and an integrated waste management system as business enterprises. The financial statements in this report include all of these functions and activities of the government.

In addition to these activities, the Consolidated Government has financial accountability for other organizations and financial units based on its ability to appoint a voting majority of the organization's governing body, and effectively impose its will on the organization. Also, financial accountability exists where there is potential for the organization to provide specific financial benefits to and/ or impose specific financial burdens on the Consolidated Government. Based upon the application of these criteria, financial statements of certain organizations have been included in this report as part of the reporting entity. The following functions and activities have been included.

Consolidated Government of Columbus, Georgia Public Employees Retirement System

Columbus Golf Authority - component unit

Columbus Iron Works Convention and Trade Center Authority - component unit

Columbus Convention and Visitors Bureau - component unit Columbus Building Authority Columbus Water Works - component unit Hospital Authority of Columbus - component unit Columbus Airport Commission - component unit Columbus Department of Public Health - component unit

### **General Information**

Planned for growth from the beginning, Columbus has become a city of regional importance. From its conception in 1828 by the Georgia state legislature, With the 2020 Census results, Columbus has become the state's second largest city, serving an estimated 201,877 citizens. Located on the east bank of the Chattahoochee River, which is the Georgia-Alabama state boundary, Columbus draws commercial activity from east Alabama as well as west Georgia. Columbus is the hub of an MSA that includes Phenix City, Alabama and the Fort Benning Military Reservation as well as surrounding counties that are linked socially and economically to Columbus. The city is located approximately 110 miles southwest of Atlanta and 85 miles east of Montgomery, Alabama.

In 1971, Columbus became the first city in the State of Georgia and the 17th in the nation to have a citycounty consolidated government. As such, it has all the governmental and corporate powers, duties, and functions formerly held by the City of Columbus and Muscogee County.

Columbus is unique in Georgia in the authorized method of taxation allowed by the Constitutional Amendment and the Charter. The Charter authorizes the creation of urban service districts and empowers Columbus to vary the rate and manner of taxation in each district to reasonably reflect the degree and level of services provided. As a result, citizens pay taxes only for those services that they receive.

The population of Columbus has risen slowly, from 179,278 in 1990 to 186,291 in 2000 to 189,885 according to the 2010 U.S. Census tally and 206,922 per the 2020 U.S. Census. This represents a growth rate of 8.97% between the 2010 and 2020 Census totals. However, current Census estimates show the population of Columbus as 201,877 as of July 1, 2023. Population declines can be seen in a third of all of Georgia's cities, including seven of the ten largest cities in Georgia, even though the population of the state as a whole rose by 2.9% to over 11 million citizens. One may assume the population shift has occurred because the people have migrated away from incorporated city boundaries to suburban and rural parts of the state. Even with this slight decline, Columbus still holds the title of the second largest city in Georgia.

### Natural Features & Land Use

Columbus is located on the Fall Line, the natural division of the Piedmont Plateau of north Georgia and the Coastal Plain of South Georgia and Florida. Its physical features include steep slopes in the north, transitioning to level terrain in the south. Several streams and creeks provide good natural drainage to the Chattahoochee River. Columbus owes its existence to the Chattahoochee River, as it was developed at the northernmost point of navigation on the river, making Columbus an important trading post during the 1800's. Columbus became a major industrial center, using the river for both transportation and to power numerous mills and factories along its banks.

With Phenix City to the west and Fort Moore to the south and southeast, most of the growth of Columbus is left to the north and northeast sections of the city. This has resulted in the need for intensive infrastructure improvements in these areas and has also raised concern among citizens in the south regarding lowering economic conditions, as more businesses move to the north. The Columbus Consolidated Government is working diligently with public-private partnerships, such as Midtown, Inc., to help revitalize these areas.

Most of Columbus' historic residential, commercial, and public buildings are located in the central portion of Columbus. Columbus State University has made a significant investment in downtown Columbus and has completed the renovation of several historic manufacturing and warehouse buildings for the purposes of classrooms, arts centers, and loft dormitories. Other similar buildings have been or are being transformed into loft apartments, antiques malls, or motels. Beginning with the Springer Theatre (The State Theatre of Georgia) and the Columbus Iron Works Trade and Convention Center, Columbus has long recognized the importance of preserving and using its historic resources.

### Economic Condition & Outlook

Columbus is the principal city of a seven-county metropolitan statistical area ("MSA"), which is the fourthlargest MSA in Georgia, comprised of Muscogee, Harris, Marion, Stewart, Talbot and Chattahoochee Counties in Georgia and Russell County in Alabama. However, Columbus provides the economic foundation of a much larger area. Columbus serves as the trade, distribution, manufacturing, medical and financial center for a twenty-six county area of Georgia and Alabama. Although Columbus only represents approximately 8% of the MSA land area, it accounts for 62% of the MSA population.

The local unemployment rate is a very good indicator of how economic conditions remained mostly steady throughout the fiscal year, with only a minimal decline. The year began with an unemployment rate of 3.9% and ended with an unemployment rate of 4.1%, with very little fluctuation during the year. Likewise, the rate for the United States also increased by a half percent, changing from 3.6% to 4.1%. However, the State of Georgia, as a whole, experienced a slight increase, rising from 3.2% to 3.6%, but still remained below the national average.

Local economic expansion activity grew during the year, as indicated by the dollar amount of new construction permits issued, which rose from \$331,406,659 in FY23 to \$371,920,337 for FY24, a 12.2% increase with a dollar increase of \$40,513,678. Combined with repairs and additions, new permit values

totaled \$411,310,485, an 8.8% increase over FY23's total of \$378,152,248. The areas of new construction in FY24 represented a shift from FY23, with multi-family (\$19.1 million), hotel (\$.8 million), public works facility (\$1.3 million) and school construction (\$9.1 million) all seeing major decreases and townhouses (\$4.2 million), recreational (44.4 million), industrial (\$31.6 million), hospital (61.9 million) and office building (\$60 million) construction seeing major increases from FY23.

In business and economic news, Pratt & Whitney's \$400 million expansion of its Columbus facility is underway and is already having a positive impact upon the local economy, which can be authenticated by the fact that Pratt & Whitney is now the largest property taxpayer in all of Muscogee County. The project will create 400 new jobs over the next few years and add 81,000 square feet and new machinery and equipment to the Columbus Engine Center. The Columbus facility includes the Columbus Engine Center and Columbus Forge, which both operate on the same campus. The Columbus Engine Center maintains Pratt & Whitney's GTF engines used by Embraer and Airbus, along with its F117 and F100 military engines. Columbus Forge produces compressor airfoils and other critical components for Pratt & Whitney's commercial and military engines. Pratt & Whitney has been a part of Columbus' economy for almost 40 years. The 400 new jobs being created will include engineers, mechanics, and operators, and will be an addition to the approximately 2,000 workers currently employed there. With this expansion, the Columbus Engine Center will be able to increase its overhaul capacity to 400 engines per year.

Fort Moore, previously known as Fort Benning, continues to be a primary source of economic strength to the Columbus community. The base is the country's sixth-largest military installation and has the third-largest troop density. It is also the third-largest employer in Georgia, providing permanent employment to approximately 45,000 military personnel, civilian workers and military trainees, and trains over 44,000 soldiers each year, resulting in an annual economic impact of over \$4.75 billion. Fort Benning is over 285 square miles in size, with 300 training areas, 4 impact areas, 49 training facilities, 80 live fire ranges, and 4 simulation centers, with around 17.5 million square feet of training facilities and almost 4,000 housing units. The base is home to the United States Army Maneuver Center of Excellence, the United States Army Armor School, the 194<sup>th</sup> Armor Brigade, the 316 Cavalry, the United States Army Infantry School, the 198<sup>th</sup> Infantry Brigade, the Airborne and Ranger Training Brigade, and elements of the 199<sup>th</sup> Infantry Brigade, Non-Commissioned Officer's Academy, 75<sup>th</sup> Ranger Regiment, 1<sup>st</sup> Security Force Assistance Brigade, 14<sup>th</sup> Combat Support Hospital, ARNG Warrior Training Center, Western Hemisphere Institute for Security Cooperation, and Task Force 1-28.

The city continues to place emphasis on development of economically disadvantaged areas through the designation of Enterprise Zones and other related activities. Businesses locating or expanding in the Enterprise Zones qualify for tax incentives through the Georgia Enterprise Zone Employment Act of 1997.

### Major Initiatives

The film industry continues to have a strong presence in Columbus, which benefits from the overflow of studios in the Atlanta area being booked up and Columbus being one of the first cities to be certified as "Camera Ready" by the Georgia Film Commission. The 140,000 square foot Flatrock Studio, owned by W.C. Bradley Real Estate and managed by Catalyst Productions plays a large role in bringing filming to Columbus.

Among the latest movies filmed in Columbus was the movie, "The Razor's Edge, starring James Franco and Tommy Lee Jones. Other notorious actors who have spent time in Columbus filming movies recently include Bruce Willis, John Travolta, and Beau Bridges.

Infrastructure improvements and capital projects continue to not only remain a high priority for the City but continue to grow in the amount invested as well as funding sources. In the past 25 years, over \$1.2 billion has been spent or invested in these projects. The funding sources include the 2012 Transportation Special Purpose Local Option Sales Tax ("TSPLOST"), the 2022 TSPLOST, TSPLOST Discretionary Funds, the 2021 Special Purpose Local Option Sales Tax ("SPLOST"), the Other Local Option Sales Tax ("OLOST") Infrastructure Fund, the Stormwater Fund, the Paving Fund, Georgia Department of Transportation ("GDOT") grants and programs, private donations and public-private partnerships (such as the Dragonfly Trail, Columbus Regional Tennis Association ("CORTA"), and the Columbus Georgia Pickleball Association), and the Columbus Building Authority bonds.

On July 15, 2008, voters approved a new 1% Other Local Option Sales Tax ("OLOST"), which took effect on January 1, 2009. It is the intent of the Consolidated Government for 70% of the funds raised to be used for public safety, and the remaining 30% for infrastructure improvements. Significant among the public safety plans was the hiring of 100 new police officers, which began in FY09 and continues today. As of the end of Fiscal Year 2024, \$25.25 million remains as unassigned reserves for OLOST.

On November 2, 2021, Muscogee County voters approved a 1% SPLOST in the amount of \$400 million for major capital projects, and to issue \$200 million in General Obligation Sales Tax bonds to cover a portion of these projects until taxes were collected. Tax collections began on April 1, 2022, and will run until the amount needed for the projects and debt is collected, which is anticipated to be eight to ten years. The funds generated by this SPLOST tax will be earmarked to pay for the construction of new judicial facilities and parking (\$200 million), road, street and bridge improvements (\$20 million), trails and sidewalks (\$5 million), storm water improvements (\$20 million), Parks and Recreation capital projects (\$48 million), golf facilities improvements (\$15 million), public safety projects (\$44 million), general government vehicles and equipment (\$14 million), technology enhancements (\$5 million), Columbus Ironworks and Convention Center capital projects (\$5 million), Columbus Civic Center improvements (\$5 million), and economic development (\$9 million).

Projects currently under construction include the Williams Road/Fortson Road Roundabout (\$5.07 million), 35<sup>th</sup> Street/2<sup>nd</sup> Avenue Stormwater Relocation (\$2.6 million), Mott's Green Plaza Enhancement (\$1.4 million), I-185/Buena Vista Road Interchange (\$47.7 million), I-185/Cusseta Road Interchange (\$58 million), and the SR 1/US 27 Widening (\$40 million). Projects with bids received and awaiting awards include the Infantry Road and Follow-Me Trail (\$2.4 million), 19<sup>th</sup> Street Flood Abatement (\$13.6 million), and Spiderweb Phase II. TIA Band 1 Projects include Steam Mill Road improvements (\$22.5 to \$26 million), 5<sup>th</sup> Avenue Multi-Use Path (\$690.000), and 13<sup>th</sup> Avenue/17<sup>th</sup> Street/Linwood Blvd Roundabout (\$6.6 million) plus others under design. Various TIA Band 2, TIA Band 3, GDOT, and other projects are underway, under design, or on-call.

The Columbus Consolidated Government is itself in the middle of a major project to move and upgrade its administrative, law enforcement, and judicial building space. The new Judicial Center is currently under construction. Totaling 342,000 square feet, this building will house the Superior Court, State Court, Probate

Court, Municipal/Magistrate Court, Juvenile Court, Accountability Court, District Attorney's Office, Solicitor General's Office, Public Defender, Clerk of Superior Court/State Court, and Municipal Court. With a cost of \$207.5 million, the building is estimated to be completed in the summer of 2026, with total project completion in 2027. Phase One of the City Hall project involved moving offices from the City's Government Center and Annex buildings to the newly purchased and renovated City Hall building. Phase II will start in December of 2024 and be completed in the summer of 2025.

Other projects underway or soon to be started included the Rigdon Park, Shirly B. Winston, and Psalmond Road pool complexes and Columbus Fire/EMS Fire Station #5. Upcoming projects include the Liberty Theatre restoration and improvements, splash pads, Fire Station #4, #6, and #8 renovations, parks improvements, the Trade Center Parking Garage, and Bull Creek and Oxbow Creek golf course clubhouse renovations.

A focus on revitalization of economically depressed areas in the city has proven successful through collaboration among City officials, residents, non-profit and for-profit organizations and businesses to clean up neighborhoods and provide education programs that allow neighborhoods to continue their revitalization efforts independently. One of those collaborative efforts is the recent establishment of several Tax Allocation Districts. Redevelopment in these districts re-enforces the community's commitment to the revitalization of blighted, under-developed areas. As of FY24, \$81,077,700 in Tax Allocation District projects have been approved by Council within three of the eight Tax Allocation Districts.

### Looking to the Future

The Finance Department updated a financial plan showing revenue and expenditure histories, which was used extensively in the FY2011 through FY2025 budget processes. Looking to the future, the Consolidated Government is in the process of determining funding sources and options to fund transportation projects, storm water and drainage requirements, technology upgrades, vehicle replacement and maintenance of existing facilities. In addition, the Consolidated Government is working to have a fully funded Pension plan over the next 12 to 15 years.

In addition to these fiscal objectives, Columbus has adopted a fund balance policy to provide stability and flexibility to respond to unexpected adversity and/or opportunities. The target is to maintain an unrestricted fund balance in the General Fund of up to 90 days but not less than 60 days of annual budgeted expenditures for the fiscal year. The actual unassigned General Fund balance as of June 30, 2024, decreased by \$3,684,469. This decrease in unassigned fund balance is attributable to utilization of reserves for pay enhancements for public safety as well as other operational costs to include maintenance of public facilities. We have made tremendous strides to improve our unassigned fund balance levels to our desired benchmark of 90 days. While we have exceeded that milestone during this fiscal year, we are still continuously looking for ways to improve our operational efficiency and revenue potential in an effort to maintain our strong and healthy financial profile.

### Financial Information

### Internal Controls

The Consolidated Government's system of internal accounting control is designed to provide reasonable, but not absolute, assurance regarding:

- 1. the safe-guarding of assets against loss from unauthorized use or disposition; and
- 2. the reliability of financial records for preparing financial statements and maintaining accountability for assets and obligations.

The concept of reasonable assurance recognizes that:

- 1. the cost of a control should not exceed the benefits likely to be derived; and
- 2. the evaluation of costs and benefits requires estimates and judgments by management.

We believe that the Government's internal accounting controls adequately safeguard assets and provide reasonable assurance that financial transactions are properly recorded.

In accordance with Georgia law, budget control is maintained at the department level within the individual fund. Purchase orders are pre-audited as to budget availability. A computerized purchasing system establishes an encumbrance against the budget at the time the purchase order is issued. The purchase order is then released to the vendor. Unencumbered appropriations supported by general operating revenues lapse at year-end. Appropriations of grant-supported operations and capital projects are carried forward to the succeeding fiscal year.

### Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada ("GFOA") awarded a Certificate of Achievement for Excellence in Financial Reporting to the Consolidated Government for its comprehensive annual financial report for the fiscal year ended June 30, 2023, which was the thirty-fourth consecutive year The Consolidated Government received this award.

The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. The report must satisfy both generally accepted accounting principles and applicable legal requirements.

The Consolidated Government was awarded the Distinguished Budget Presentation Award for the fiscal year beginning July 1, 2023. This was the thirty-second consecutive year the Consolidated Government received this award. The Distinguished Budget Presentation Award is the highest form of recognition in governmental

budgeting. In order to receive the award, a government must publish a budget document that meets program criteria as a policy document, financial plan, operations guide, and as a communications device.

Both the Certificate of Achievement and the Distinguished Budget Award are valid for a period of one year only. We believe our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The presentation of the financial statements and receipt of an unmodified auditor's opinion is the result of commitment and dedication of many Consolidated Government employees but especially Accounting Manager, Karen Thompson and Douglas "Randy" King. The amount of effort these employees put forth towards the presentation of this financial report is invaluable.

I would also like to express appreciation to Mauldin & Jenkins, LLC, our external auditors, for their contribution by way of technical guidance and for the firm's dedication to the highest professional standards of governmental accounting.

Finally, I want to recognize the leadership of the Mayor, Members of Council, and the City Manager. Their guidance of the Consolidated Government's fiscal affairs continues to serve this community well.

Respectfully submitted,

Angelica Alexander

### **INDEPENDENT AUDITOR'S REPORT**

To the Mayor and Council of the Consolidated Government of Columbus, Georgia Columbus, Georgia

### **Report on Financial Statements**

#### Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the **Consolidated Government of Columbus, Georgia** (the "Consolidated Government"), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Consolidated Government's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Consolidated Government as of June 30, 2024, and the respective changes in financial position, and where applicable, cashflows thereof and the respective budgetary comparisons for the General Fund and the American Rescue Plan Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the Columbus Airport Commission, Columbus Water Works, Hospital Authority of Columbus, Columbus Department of Public Health, and the Columbus Convention and Visitors Bureau, which represents 98.00%, 97.89%, and 80.11%, respectively, of the assets, net position, and revenues of the aggregate discretely presented component units. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Columbus Airport Commission, Columbus Water Works, Hospital Authority of Columbus, Columbus Department of Public Health, and the Columbus Convention and Visitors Bureau, is based solely on the reports of the other auditors.

### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States ("*Government Auditing Standards*"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Consolidated Government, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Government's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Governmental Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Governmental Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Consolidated Government's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Government's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (on pages 5 through 17), the Schedules of Changes in the Government's Net Pension Liability and Related Ratios (on pages 123 through 130), the Schedules of Government Contributions (on pages 131 through 138), the Schedules of Pension Investment Returns (pages 139 and 140), and the Schedule of Changes in the Net OPEB Liability and Related Ratios (pages 141 and 142) be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Consolidated Government's basic financial statements. The combining and individual nonmajor fund financial statements and schedules, the schedule of state contractual assistance – DHR, and the schedules of expenditures of special purpose local option sales tax proceeds, as required by the Official Code of Georgia Annotated ("O.C.G.A.") §48-8-121, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements themselves, and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion the combining and individual nonmajor fund financial statements, the schedule of contractual assistance and schedules and the schedules of expenditures of special purpose local option sales tax proceeds is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2024, on our consideration of the Consolidated Government of Columbus, Georgia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Consolidated Government's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Consolidated Government's internal control over financial reporting and compliance.

Mauldin & Jerkins, LLC

Macon, Georgia December 27, 2024

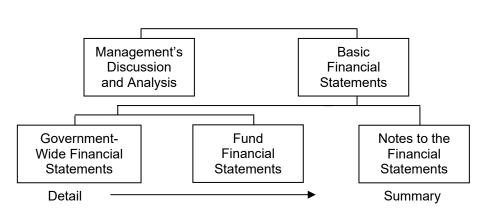

### MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2024

This section of the Columbus Consolidated Government's (the "Consolidated Government") Annual Comprehensive Financial Report provides an overall narrative of the Consolidated Government's financial performance during the fiscal year ended June 30, 2024. We encourage readers to review the financial statements with notes, which follow this narrative, to enhance their understanding of the Consolidated Government's financial performance.

### FINANCIAL HIGHLIGHTS

- The assets and deferred outflows of resources of the Consolidated Government exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$617,564,242 (net position). Of this amount, \$76,219,357 represents an unrestricted net position.
- The Consolidated Government's total net position increased by \$70,664,865, due to increases in sales tax revenues (passage of a 1% Special Purpose Local Option Sales Tax by the voters of Muscogee County with collections that began in April 2022), increases in property tax revenues and investment earnings, and recognition of American Rescue Plan Funds offset by requirements of Governmental Accounting Standards Board ("GASB") GASB 68 to accrue actuarially determined net pension liability and contributions to Other Post-employment Benefits ("OPEB") plan.
- At the end of the current fiscal year, the Consolidated Government's governmental funds reported combined ending fund balances of \$508,014,501, an increase of \$60,584,460 in comparison to the prior year. This increase is due to debt issuances during the current year totaling \$50.0 million and increases in sales tax revenues due to the passage of a 1% Special Purpose Local Option Sales Tax. Approximately 13.0% of this amount \$67,846,690 is available for spending at the Consolidated Government's discretion (unassigned fund balance).
- At the end of the current fiscal year, unrestricted fund balance (the total of the committed, assigned, and unassigned components of fund balance) for the General Fund was \$131,521,618, or approximately 56.7% of total general fund expenditures.
- Combined revenue totaled \$478.1 million, of which governmental activities totaled \$438.9 million and business-type activities totaled \$39.1 million. Current year revenues increased approximately 13.1% from those of the prior year.
- Overall expenses totaled \$407.4 million, of which governmental activities totaled \$366.0 million and business type activities totaled 41.4 million. Current year expenses increased approximately 16.9% over those of the prior year.
- Expenses of governmental activities exceeded program revenue by \$285 million, resulting in the use of general revenues (mostly taxes).

### MANAGEMENT'S DISCUSSION AND ANALYSIS

### **Required Components of Annual Financial Report**

### **Basic Financial Statements**

The first two statements in the basic financial statements are the **Government-wide Financial Statements**. They provide both short and long-term information about the Consolidated Government's financial status.

The next statements are the **Fund Financial Statements**. These statements focus on the activities of the individual parts of Columbus, Georgia's government. These statements provide more detail than the government-wide statements. There are four parts to the Fund Financial Statements: 1) the governmental funds statements; 2) the budgetary comparison statements; 3) the proprietary fund statements; and 4) the fiduciary fund statements.

The next section of the basic financial statements is the **notes**. The notes to the financial statements explain in detail some of the data contained in those statements. After the notes, **supplemental information** is provided to show details about the Consolidated Government's nonmajor governmental funds and internal service funds, all of which are added together in one column on the appropriate basic financial statements.

### **Government-Wide Financial Statements**

The government-wide financial statements provide a broad view of the Consolidated Government's operations in a manner that is similar to a private-sector business. The statements provide both short-term and long-term information about the Consolidated Government's financial position, which assists in assessing the economic condition at the end of the fiscal year. These statements are prepared using the flow of economic resources measurement focus and the accrual basis of accounting. This means the financial statements account for all revenues and expenses connected with the fiscal year even if cash involved has not been received or paid. The government-wide financial statements include the following two statements:

### MANAGEMENT'S DISCUSSION AND ANALYSIS

The **Statement of Net Position** presents information on the Consolidated Government's assets, deferred outflows, liabilities, and deferred inflows with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Consolidated Government is improving or deteriorating.

The **Statement of Activities** presents information showing how the Consolidated Government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will not result in cash flows until future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave). This statement also presents a comparison between direct expense and program revenues for each function of the Consolidated Government.

The government-wide statements are divided into three categories: 1) governmental activities, 2) business-type activities, and 3) component units. The governmental activities include most of the Consolidated Government's basic services such as general administration, judicial services, public safety, public works, health and welfare, culture and recreation, and housing and development. Property taxes, sales taxes and state and federal grant funds finance most of these activities. The business-type activities are those funds that the Consolidated Government charges a fee to customers to provide services. These include garbage collection, transportation, and Civic Center. The final category is component units. The Columbus Consolidated Government includes these component units in its report – Columbus Iron Works Convention and Trade Center, Columbus Golf Authority, Columbus Convention and Visitors Bureau, Columbus Water Works, Columbus Airport Commission, the Hospital Authority of Columbus, and the Columbus Department of Health. These are component units for which the Government is fiscally responsible.

### **Fund Financial Statements**

A Fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Consolidated Government, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The fund financial statements focus on individual parts of the Consolidated Government, reporting the Consolidated Government's operations in more detail than the government-wide statements. All funds of the Consolidated Government can be divided into three categories: 1) governmental funds, 2) proprietary funds, and 3) fiduciary funds. These fund categories use different accounting approaches and should be interpreted differently.

### Governmental Funds

Most of the basic services provided by the Consolidated Government are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported as government activities in the government-wide financial statements. However, unlike the government-wide statements, these funds focus on how assets can readily be converted into cash and the amount of funds left at year-end that will be available for spending in the next year. Governmental funds are reported using an accounting method called *modified accrual accounting*, which focuses on current financial resources. Such information may be useful in evaluating the government's short-term financing requirements. These statements provide a detailed short-term view of the Consolidated Government's finances that assists in determining whether there will be adequate financial resources available to meet the Consolidated Government's current needs. The relationship between government activities in the government-wide financial statements and the governmental funds financial statements is described in a reconciliation that is a part of the fund financial statements.

The Consolidated Government has five governmental fund types: 1) the General Fund, 2) Special Revenue Funds, 3) Debt Service Funds, 4) the Capital Projects Funds, and 5) the Permanent Fund. The Consolidated Government reported seven major governmental funds: 1) the General Fund, 2) Special Projects Fund, 3) T-SPLOST Projects Fund, 4) American Rescue Plan Fund, 5) G.O. Sales Tax Bond Series 2022 Fund, 6) 2022 Sales Tax Projects Fund, 7) 2022 Sales Tax Proceeds Fund.

### **Proprietary Funds**

The Consolidated Government has two types of proprietary funds used to account for activities that operate similarly to commercial enterprises found in the private sector. Funds that charge fees for services provided to outside customers including other local governments are known as Enterprise Funds. These funds are used to report the same functions presented as business-type activities in the government-wide financial statements. Funds that charge fees for services provided to departments within the reporting government are known as Internal Service Funds. Proprietary funds use the accrual basis of accounting, thus there is no reconciliation needed between the government-wide financial statements for business-type activities and the proprietary fund financial statements, except for the allocation of internal service fund activity.

The Consolidated Government has three enterprise funds: 1) Integrated Waste Management Fund, 2) Civic Center Fund, 3) Transportation Fund. The Consolidated Government also has two internal service funds: Risk Management Fund and Employee Health Insurance Fund. The Integrated Waste Management Fund, Civic Center Fund, and Transportation Fund are considered major funds for presentation purposes.

### Fiduciary Funds

The Fiduciary Funds are used to account for assets held by the Consolidated Government as an agent for individuals, private organizations, other governments, and other departments. The Consolidated Government is responsible for ensuring that the assets reported in these funds are used only for their intended purposes and only by those to whom the assets belong. These funds are not reflected in the government-wide financial statements because the resources are not available to support the Consolidated Government's operations or programs.

### **Government-wide Financial Analysis**

### **Net Position**

Net position may serve over time as one useful indicator of a government's financial condition. The assets of the Consolidated Government exceeded liabilities by \$617.6 million as of June 30, 2024.

One of the largest portions of the Consolidated Government's net position, \$459.1 million reflects its investment in capital assets such as land, buildings, equipment, and infrastructure (road, bridges, and sewer lines) less any related debt used to acquire those assets that is still outstanding. The Consolidated Government uses these capital assets to provide services to its citizens; therefore, these assets are not available for future spending. Although the Consolidated Government's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Net position of the Consolidated Government's governmental activities increased to \$588.3 million. However, much of the net position either is restricted as to the purposes for which it can be used, or is invested in capital assets (buildings, roads, and such). Consequently, *unrestricted* net position reflected a balance of \$95.5 million at the end of the current year.

### MANAGEMENT'S DISCUSSION AND ANALYSIS

Several aspects of the Government's financial operations positively influenced the total unrestricted governmental net position:

- Continued Diligence in the maintenance of 60 days unreserved fund balance in the General Fund
- Continued Diligence in the collection of property taxes by maintaining a collection percentage of 99% for real and personal property.
- Increases in Property Tax revenue and Sales Tax revenues.
- Increases in Investment earnings.

The net position of our business-type activities remained stable at \$29.2 million. These resources cannot be used to decrease the net asset deficit in governmental activities. The Consolidated Government generally can only use net position to finance the continuing operations of the business-type activities.

#### Changes in net position

**Governmental Activities:** Governmental activities increased in the Consolidated Government's net position by \$70.7 million and thereby accounting for the increase in the total growth in the net position of the Consolidated Government. Key elements of this increase are as follows:

**Governmental Revenues:** Property tax (29.0%) and other taxes (35.6%) continue as the main source of revenue of the Government amounting to 64.6% in 2024, compared to 68.3% in 2023. Sales tax revenues contributed approximately \$100.2 million to net position.

**Governmental Functional Expenses:** The Consolidated Government expended 40.8% of the appropriations for public safety expenditures. The Consolidated Government continues to commit substantial financial resources for the safety of its citizens. Some of these expenditures include longevity payments and other pay incentives to the various departments of Public Safety. Other expenditures accounted for the remaining 59.2%.

Business-type activities: Business-type activities remained stable during the current fiscal year.

# The Consolidated Government's Changes in Net Position

### FINANCIAL ANALYSIS OF THE CONSOLIDATED GOVERNMENT'S FUNDS

As noted earlier, the Consolidated Government uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

### Governmental funds

The focus of the Consolidated Government's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the Consolidated Government's financing requirements. In particular, *unassigned, fund balance* may serve as a useful measure of a government's net resources available for spending at the end of a fiscal year. The combined fund balance of all the governmental funds is \$508,014,501 million, of which \$67.8 million, or 13% is unassigned.

### General Fund

The General Fund is the chief operating fund of the Consolidated Government. At the end of the current fiscal year, the unassigned fund balance of the general fund was \$69,815,725, while total fund balance reached \$133,125,856. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 30.1% of total general fund expenditures, while total fund balance represents 57.4%.

The fund balance of the Consolidated Government's general fund decreased by \$2.3 million during the current fiscal year. The key factor in this decrease is due to an increase in transfers to support various capital projects.

The Special Projects Fund has a total fund balance of \$43.2 million, an increase of \$12.6 million. This increase is attributable to an increase in transfers from other funds that support the projects paid from this fund.

The TSPLOST Projects Fund has a total fund balance of \$6.1 million, a decrease of \$5.9 million. This decrease is attributable to an increase in expenditures on various TSPLOST projects and revenue recognition requirements as monies are received.

American Rescue Plan Fund reports a \$(1,690,469) fund balance in the current year due to revenue recognition requirements as monies are received for the State portion of these projects.

GO Sales Tax Bonds Series 2022 reports a total fund balance of \$141,199,110, a decrease of \$9.7 million due to an increase in project expenditures.

2022 Sales Tax Projects Fund reports a total fund balance of \$14,867,984, a decrease of \$11.5 million due to an increase in project expenditures.

2021 Sales Tax Proceeds Fund reports a total fund balance of \$37,163,375, an increase of \$27.2 million due to a decrease in transfers to support Sales Tax Projects.

### **Proprietary funds**

The activities of the Consolidated Government that render services to the public on a user charge basis, or that require periodic determination of revenues for public policy are accounted for as Enterprise Funds. The Consolidated Government's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The unrestricted net position of the Integrated Waste Management Fund at the end of the year amounted to \$(21.5) million, an increase in the deficit of \$3.4 million from the previous year. This deficit is attributable to the postclosure requirements for the landfill, capital purchases and payments to a third-party contractor for collection of yard waste. Unrestricted net position for the Civic Center Fund at the end of the fiscal year amounted to \$(2.0) million due to reduction of net investment in capital assets and insufficient revenues to cover the cost of operations. The unrestricted net position of the Transportation Fund at the end of the year amounted to \$4.2 million, an increase of \$0.5 million from the previous year due to increases in governmental subsidies. Other factors concerning the finances of these funds have already been addressed in the discussion of the Consolidated Government's business-type activities.

### General Fund Budgetary Highlights

*Original budget compared to final budget*. Comparing the FY2024 original budget (or adopted) General Fund amount of \$231 million to the final budget amount of \$269 million shows a net increase of \$38 million. This figure includes \$5,529,466 of purchase orders committed prior to June 30, \$26,985,139 for mid-year amendments, \$5,486,817 in approved carryover requests for capital and various year-end adjustments.

Differences between the original budget and the final amended budget were mainly the result of purchase orders committed prior to June 30 and adjustments made to include carryover requests from the prior fiscal year and various year-end adjustments.

*Original estimates compared to actual results.* The most significant differences between estimated revenues and actual revenues were as follows:

|                        | Estimated<br>Revenues |            | Actual<br>Revenues |            |            |            |
|------------------------|-----------------------|------------|--------------------|------------|------------|------------|
| Revenue source         |                       |            |                    |            | Difference |            |
| General Property Taxes | \$                    | 65,321,900 | \$                 | 71,936,330 | \$         | 6,615,430  |
| Sales Taxes            |                       | 86,800,000 |                    | 95,748,670 |            | 8,948,670  |
| Other Taxes            |                       | 33,382,000 |                    | 44,107,834 |            | 10,725,834 |
| Charges for Services   |                       | 16,406,307 |                    | 20,311,390 |            | 3,905,083  |
| Fines and Forfeitures  |                       | 2,600,000  |                    | 4,606,516  |            | 2,006,516  |

## MANAGEMENT'S DISCUSSION AND ANALYSIS

The surplus in General Property Taxes was due to a better than projected increase in the tax digest for real and personal property which likely grew because of an increase in the number of reassessments that occurred over the prior year. The overage in Sales Taxes was primarily due to an increase in gross sales revenue relative to consumer price increases as well as increased online retail sales transactions. The overage in Other Taxes was due to higher than anticipated revenues in Occupational Tax and Insurance Premium Tax. The increase in Fines and Forfeitures was due to higher than anticipated revenues in court fines as court backlogs related to the pandemic dissipate.

A review of actual expenditures to the appropriations in the final budget yields departmental changes which are largely comprised of departments whose expenditures exceeded their FY2024 Adopted Budget appropriations. The most significant variances were in the City Attorney's Office due to litigation expenses, the Sheriff's Office due to inmate medical and jail operating expenses, Public Works due to various expenses related to facilities maintenance and non-departmental budgets related to streetlight energy and settlements costs.

Increases in expenditures are summarized as follows:

<u>General Government</u> -- Adjustments within the function are consistent with purchase orders committed prior to June 30, capital replacement, and other budgetary amendments.

<u>Public Safety</u> -- Adjustments within the function are consistent with purchase orders committed prior to June 30, enhanced retention pay for personnel, and capital replacement.

<u>Public Works</u> -- Adjustments within this functional area are consistent with purchase orders committed prior to June 30, facilities maintenance costs and capital replacement.

<u>Culture and Recreation</u> -- Adjustments within this functional area are consistent with purchase orders committed prior to June 30 and capital replacement.

<u>Housing and Urban Development</u> -- Adjustments in this functional area are consistent with purchase orders committed prior to June 30 and year-end adjustments.

Miscellaneous -- Adjustments within this area are consistent with year-end adjustments.

The net increase in the General Fund budget was funded by fund balance and other revenue sources.

# CAPITAL ASSET AND DEBT ADMINISTRATION

#### **Capital Assets**

The Consolidated Government's investment in capital assets for its governmental and business-type activities as of June 30, 2024, amounts to \$628.1 million (net of accumulated depreciation). This investment in capital assets includes land, buildings and improvements, equipment, infrastructure, and construction in progress. Infrastructure assets are items that are normally immovable and of value only to the Consolidated Government, such as roads, bridges, drainage systems and other similar items.

Major capital asset transactions during the year included acquisition of public safety vehicles, heavy-duty equipment and Garbage Trucks for Public Works, vehicles and equipment for Parks and Recreation. Construction in progress increased due to expenditures for various on-going construction projects to include the construction of a new Judicial Center.

#### The Consolidated Government's Capital Assets (net of depreciation)

More detailed information about the Consolidated Government's capital assets is presented in Note 5 to the financial statements.

|                            | G  |               |    | usiness-type<br>Activities | Total             |

#### Long-term Debt

At year-end, the Consolidated Government had \$322.5 million in bonds and notes outstanding—an increase of \$18.7 million over last year. This increase is due to a new debt issuance in FY24 of \$50.0 million in Revenue Bonds. A table of the Consolidated Government's outstanding debt can be found below.

# The Consolidated Government's Outstanding Debt

|                              |                  | Governmental<br>Activities |    |             |  |  |  |  |  |

| Total debt                   | \$               | 212,262,217                | \$ | 303,846,652 |  |  |  |  |  |

More detailed information about the Consolidated Government's long-term liabilities is presented in Note 6 to the financial statements.

The Consolidated Government's bond rating of Aa2 by Moody's Investor Service and AA+ by Standard and Poor's ("S&P") was confirmed in March 2024 for revenue bond debt.

The State of Georgia limits the amount of general obligation debt that a unit of government can issue to 10% of the total assessed value of taxable property located within that government's boundaries. The legal debt margin for the Consolidated Government is \$704,339,009 million based on the 2023 County-wide assessed value of \$7,774,418,056.

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

Key assumptions for revenue forecasts for fiscal year 2025 are summarized as follows:

- 1. Property tax revenues will increase by 3% based on the estimated growth of assessed valuation and general growth with 99% collections for Ad Valorem Taxes.
- 2. Population growth of Columbus increased by 4.0% from 189,885 in 2010 to 206,922 according to the 2020 Census. Current census estimates for 2024 are roughly 201,877 per capita according to the Georgia Department of Community Affairs. This represents a slight decline from the last official census. However, Columbus continues to be an entertainment and shopping hub for this region. In addition, Fort Moore continues to be an economic force within the Columbus area as families relocate to and/or visit Columbus. Therefore, as the population organically fluctuates, the local economy is still expected to remain strong over the course of next year as residents and visitors continue to live, eat, work, and play in Columbus.
- 3. Columbus, Georgia MSA employment totals based on October 2024 Bureau of Labor Statistics information reached a total of approximately 118,270. Employment levels have been fairly consistent for the past twelve months and is expected to improve through the next fiscal year.
- 4. The Columbus, Georgia MSA unemployment rate based on October 2024 Bureau of labor Statistics information stood at 4.1% compared to 3.6% for the State of Georgia and 4.1% for the U.S. Unemployment rates have generally consistent over the past twelve months as workers actively return to the workforce. This trend is anticipated to remain relatively flat through the next fiscal year as well.

This contributed to the following projections for the next year's budget (FY2025):

- 1. General Property Taxes are expected to increase from the FY2024 budget.
- 2. Sales and Use Taxes are projected to increase by 9% from the FY2024 budget.
- 3. Business licenses, fees and permits are estimated to increase by 14% from the FY2024 budget.
- 4. Fines, forfeitures, and court fees are estimated to increase over 40% from the FY2024 budget.
- 5. Millage rates in each urban service district will remain unchanged from the FY2024 rates.

#### CONTACTING THE COLUMBUS CONSOLIDATED GOVERNMENT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, and investors and creditors with a general overview of the Columbus Consolidated Government's finances and to demonstrate the City's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Columbus Consolidated Government Finance Department, P.O. Box 1340, Columbus, Georgia 31902-1340 or visit our website at www.columbusga.org.

# BASIC FINANCIAL STATEMENTS

#### RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE STATEMENT OF NET POSITION JUNE 30, 2024

| Amounts reported for governmental activities in the Statement of Net Position are different because:  |  |
|---|--|
| Total fund balances - governmental funds  | \$<br>507,961,877  |
| Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.   | 580,257,339  |
| Revenues in the Statement of Activities that do not provide current financial resources are reported as unavailable revenues in the funds.  | 9,763,936  |
| Deferred outflows of resources related to pensions, other post-employment benefits and bond refundings are not reported in governmental funds.  |  |
| Pensions<br>Other post-employment benefits<br>Bond refundings   | 119,577,890<br>32,342,934<br>433,296   |
| Deferred inflows of resources related to pensions, other post-employment benefits and bond refundings are not reported in governmental funds.   |  |
| Pensions<br>Other post-employment benefits  | (86,291,792)<br>(39,129,319)   |
| Certain long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds.  |  |
| Bonds, leases and notes payable and unamortized discounts and premiums<br>Accrued interest<br>Compensated absences<br>Net pension liability<br>Other post-employment benefit liability  | (322,468,390)<br>(5,092,983)<br>(8,956,861)<br>(175,490,821)<br>(35,289,614) |
| Internal service funds are used by management to charge the costs of certain activities, such as insurance and risk management, to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the government-wide Statement of Net Position. | 10,645,188   |
| Net position of governmental activities   | \$<br>588,262,680  |

#### RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED JUNE 30, 2024

| Amounts reported for governmental activities in the Statement of Activities are different because:  |  |
|---|--|
| Net change in fund balances - total governmental funds  | \$<br>60,531,836   |
| Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.   |  |
| Capital outlay<br>Depreciation expense  | 55,344,848<br>(23,271,006)                                       |
| The net effect of various miscellaneous transactions involving capital assets (i.e., sales, trade-ins, and donations) is to decrease net position.  | (228,954)  |
| Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds.  | 6,006,023  |
| The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items. |  |
| Long-term debt repayments<br>Issuance of debt<br>Premiums<br>Amortization of unamortized discounts<br>Amortization of unamortized premiums  | 26,865,406<br>(50,000,000)<br>(380,419)<br>(17,851)<br>4,911,126 |
| The amortization of pension liabilities is reported in the government-wide Statement of Activities, but it does not require the use of current financial resources.   |  |
| Pensions<br>Other post-employment benefits  | (13,715,399)<br>3,437,550  |
| Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.   |  |
| Accrued interest<br>Compensated absences<br>Claims payable  | 578,832<br>(477,505)<br>1,300,000                                |
| Internal Service Funds are used by management to charge the costs of certain activities, such as insurance and risk management activities, to individual funds. The net revenue of the Internal Service Funds is reported with governmental activities.   | <br>(249,787)  |
| Change in net position of governmental activities   | \$<br>70,634,700   |
|   | <br>   |

#### GENERAL FUND STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES -BUDGET (NON-GAAP BASIS) AND ACTUAL FOR THE YEAR ENDED JUNE 30, 2024

# NOTES TO THE FINANCIAL STATEMENTS

# NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2024

# NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Consolidated Government of Columbus, Georgia (the "Consolidated Government") is a political subdivision of the State of Georgia created by virtue of a Constitutional Amendment authorizing the consolidation of the County of Muscogee with the City of Columbus (the "City). Commencing January 1, 1971, Columbus became a consolidated city-county government.

The financial statements have been prepared in conformity with generally accepted accounting principles ("GAAP") as applied to governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the Consolidated Government's accounting policies are described below:

# A. Reporting Entity

As required by GAAP, these financial statements present the Consolidated Government and its component units. The component units discussed below are included in the Consolidated Government's reporting entity because of the significance of their operational or financial relationship with the Consolidated Government.

#### **Discretely Presented Component Units**

The **Columbus Golf Authority** (the "Golf Authority") was created by Ordinance No. 82-29, adopted May 4, 1982, pursuant to Secs. 3-104(3) and 4-102(1) of the Columbus Charter. The name of the Golf Authority was changed from Bull Creek Golf Authority to Columbus Golf Authority by Ordinance No. 97-35. The Golf Authority provides recreational opportunities to the general public and is responsible for the operation of Bull Creek Golf Authority and Oxbow Creek Golf Authority. The Columbus Golf Authority is presented as proprietary component units: Bull Creek Golf Authority and Oxbow Meadows Golf Authority due to the independent operation of each golf course. The following factors suggest that the Golf Authority should be included in the reporting entity:

The Consolidated Government has directly or indirectly guaranteed the Golf Authority's debts.

The Golf Authority is not exclusively responsible for its fiscal affairs.

The Golf Authority's Board is appointed by the Council of the Consolidated Government and may be removed at any time.

The Golf Authority is a subordinate branch of the Consolidated Government.

Separate financial statements are not issued for the Golf Authority.

## A. Reporting Entity (Continued)

#### **Discretely Presented Component Units (Continued)**

The **Columbus Trade and Convention Center Authority** (the "Trade Center Authority") was created by Ordinance No. 83-79, adopted September 27, 1983 (Col. Code Sec. 2-121). The Trade Center Authority supervises and operates the Columbus Iron Works Convention and Trade Center as a subordinate branch of the Consolidated Government. The Columbus Iron Works Convention and Trade Center Authority is presented as a proprietary component unit. The following factors suggest that the Trade Center Authority should be included in the reporting entity:

The Consolidated Government has directly or indirectly guaranteed the Trade Center Authority's debts.

The Consolidated Government is responsible for financing deficits and also is entitled to any excess of revenues over expenses generated by the Trade Center Authority.

The Trade Center Authority's Board is appointed and serves at the pleasure of the Council of the Consolidated Government.

The Trade Center Authority is a subordinate branch of the Consolidated Government.

Separate financial statements are not issued for the Trade Center Authority.

The **Columbus Convention and Visitors Bureau** (the "CVB") was established as a commission by Ordinance 80-51 adopted April 29, 1980, pursuant to the provisions of Act No. 1204, H.B. No. 1854. The CVB was created to promote tourism, trade and conventions for the benefit of the community. The CVB is presented as a governmental fund type component unit. The following factors suggest that the CVB should be included in the reporting entity:

The CVB's Commission members are appointed by the Mayor and Council of the Consolidated Government.

The Consolidated Government is responsible for any deficit and is entitled to the surplus revenue received or generated by the CVB.

The annual budget must be presented to the Council of the Consolidated Government for approval.

Separate financial statements for the CVB can be obtained from the Columbus Convention and Visitors Bureau, 100 Bay Avenue, Columbus, Georgia 31901.

#### A. Reporting Entity (Continued)

#### **Discretely Presented Component Units (Continued)**

The **Hospital Authority of Columbus** (the "Hospital Authority") was created by County Commission Resolution of November 14, 1967, pursuant to the Georgia Hospital Authorities Law, Official Code of Georgia Annotated ("O.C.G.A.") §31-7-72. The Hospital Authority was created to provide long-term health care for residents of Muscogee and surrounding counties. It operates the Muscogee Manor Nursing Home and Cobis Personal Care Home. The Hospital Authority is presented as a proprietary component unit. The following factors suggest that the Hospital Authority should be included in the reporting entity:

The Council of the Consolidated Government may remove members for cause by six votes of the Council. Members are appointed by the Hospital Authority from nominations made by the Council of the Consolidated Government.

The Consolidated Government has contractually guaranteed the debt of the Hospital Authority, in exchange for which the Hospital Authority has agreed to provide care to indigent and elderly residents of the Consolidated Government.

Separate financial statements for the Hospital Authority can be obtained from the Hospital Authority of Columbus, 7200 Manor Road, Columbus, Georgia 31907.

The **Columbus Airport Commission** (the "Airport Commission") was created by Constitutional Amendment, Article 5, Section 4, Ga. Laws 1968, Page 1655, for the purpose of administering the operations of the Columbus Metropolitan Airport. The Airport Commission is presented as a proprietary component unit. The following factors suggest that the Airport Commission should be included in the reporting entity:

The Council of the Consolidated Government appoints members upon nomination by the Airport Commission and may remove members for cause by six votes of the Council.

The Consolidated Government has contractually guaranteed to meet interest and principal payments on the 2003 Airport Refunding Revenue Bonds should the net revenues of the Airport Commission be insufficient to service the debt.

Separate financial statements for the Airport Commission can be obtained from the Columbus Airport Commission, 3250 West Britt David Road, Columbus, Georgia 31909-5399.

#### A. Reporting Entity (Continued)

#### **Discretely Presented Component Units (Continued)**

**Columbus Water Works –** The Board of Water Commissioners (the "Board") was created by Act No. 54 of the General Assembly of Georgia, approved December 3, 1902 (Ga. L. 1902, Page 370-377). The Board was created to administer the operations of the Columbus water and wastewater treatment systems ("Columbus Water Works"). The Columbus Water Works is presented as a proprietary component unit. The following factors suggest that the Board should be included in the reporting entity:

The Council of the Consolidated Government appoints members of the Water Commission and may remove members for cause by six votes of the Council.

The Consolidated Government has contractually agreed to be responsible for certain long-term debt of the Columbus Water Works.

Separate financial statements for the Board can be obtained from the Columbus Water Works, 1421 Veterans Parkway, Columbus, Georgia 31901.

**Columbus Department of Public Health** – The Board of Health was created on October 5, 1941 by virtue of an Act of the General Assembly of Georgia, approved March 27, 1941 (Ga. L. 1941, Page 937) as amended. The Board of Health was created to administer the operations of the Columbus Department of Public Health. This entity is presented as a governmental fund type component unit. The Georgia Department of Audits, Local Government Audit Section, has ruled that county boards of health should be considered component units of the county government for financial reporting purposes. The following factors support the ruling that the Columbus Department of Public Health be included in the reporting entity:

The Council of the Consolidated Government appoints members of the Board of Health; the Mayor and City Manager are also Board members by virtue of office.

The Consolidated Government provides funding annually in an amount sufficient to equal the required local match funds as designated by the Georgia Department of Public Health.

Separate financial statements for the Board of Health can be obtained from the Columbus Department of Public Health, 2100 Comer Avenue, Columbus, Georgia 31902-2299.

#### A. Reporting Entity (Continued)

#### **Discretely Presented Component Units (Continued)**

The **Land Bank Authority** (the "Land Bank") was created by the Council of the Consolidated Government with the passage of ordinance No. 10-58. The purpose of the Land Bank Authority is to receive properties not on tax producing rolls and to make every effort to put the properties back on the tax producing rolls. The Land Bank is presented as a governmental fund type.

The Council of the Consolidated Government appoints and/or confirms members of the Board who serve at the pleasure of the Council.

Upon dissolution of the Land Bank, all real property, personal property, and other assets of the Land Bank shall become the assets of the Consolidated Government.

#### **Blended Component Unit**

The **Columbus Building Authority** (the "Building Authority") was created by Article VII, Sec. VI, Pa. 1 of the Constitution of Georgia of 1945, as amended and ratified at the general election of November 5, 1968 (Ga. L. 1966, Page 946). The Building Authority provides a means to issue revenue certificates to acquire, construct, equip, maintain, and operate self-liquidating projects embracing buildings and facilities for use by the Consolidated Government. The Building Authority is presented as a governmental fund type.

The Consolidated Government has directly or indirectly guaranteed the Building Authority's debts.

The Building Authority is not exclusively responsible for its fiscal affairs.

The Building Authority's Board is appointed by the Mayor and Council of the Consolidated Government.

The Consolidated Government has an equity interest in the Building Authority upon dissolution.

## A. Reporting Entity (Continued)

#### **Custodial Funds**

**Consolidated Government of Columbus, Georgia Public Employees' Retirement System –** The Consolidated Government's employees participate in one of two Public Employee Retirement Systems ("PERS"). PERS functions for the benefit of these employees and is governed by a Board of Directors appointed by the Council of the Consolidated Government. The Consolidated Government Public Employees' Retirement System is presented as a pension trust fund.

Separate financial statements are not issued for the PERS.

#### B. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the primary government and its component units. Intefund services provided and used are not eliminated in the consolidation process. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support. Likewise, the *primary government* is reported separately from certain legally separate *component units* for which the primary government is financially accountable.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

#### C. Measurement Focus, Basis of Accounting and Basis of Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and the fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial* resources measurement focus and the *modified accrual* basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Consolidated Government considers taxes as available in the period for which they were levied if they are collected within 60 days of the end of the current fiscal period. A 90-day availability period is used for revenue recognition for all other governmental revenues. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, sales taxes, licenses, interest revenue, and charges for services associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period, if available criteria are met. All other revenue items are considered to be measurable and available only when cash is received by the Consolidated Government.

The Consolidated Government reports the following major governmental funds:

The *General Fund* is the Consolidated Government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The **G.O.** Sales Tax Bond Series 2022 Fund is a Capital Projects Fund that accounts for funds of the construction of new judicial facilities.

The *Special Projects Fund* is a Capital Projects Fund that accounts for capital projects supported by the General, Sewer, Paving and Integrated Waste Management Fund.

The *Transportation Special Purpose Local Option Sales Tax ("TSPLOST") Projects Fund* is a Capital Projects Fund that accounts for capital projects financed from TSPLOST funds.

# C. Measurement Focus, Basis of Accounting and Basis of Presentation (Continued)

The *American Rescue Plan Fund* is a Special Revenue Fund that accounts for funds received from the American Rescue Plan Act.

The **2022** Sales Tax Projects Fund is a Capital Projects Fund used to account for projects supported by the 2022 Sales Tax Proceeds Account including road projects and acquisition, construction and equipping of various capital projects.

The **2021 Sales Tax Proceeds Fund** is a Debt Service Fund used to account for the accumulation and disbursement of funds for the interest and principal redemption requirements of the general obligation bond issues.

The Consolidated Government reports the following major business-type funds:

The *Integrated Waste Management Fund* is used to account for the costs of providing refuse collection and disposal services to the community.

The *Civic Center Fund* is used to account for the operation of the South Commons Civic Center.

The Transportation Fund accounts for the operation of the local transit system.

Additionally, the Consolidated Government reports the following fund types:

The **Special Revenue Funds** account for revenue sources that are legally restricted to expenditure for specific purposes.

The **Capital Project Funds** are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

The **Debt Service Funds** are used to account for the accumulation of resources that are restricted and assigned for the payment of principal and interest on long-term debt.

The *Permanent Fund* accounts for and reports resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs, for the benefit of the government or its citizens. The Consolidated Government's permanent fund accounts for revenues and maintenance of the Linwood, Riverdale and Porterdale Cemeteries.

# C. Measurement Focus, Basis of Accounting and Basis of Presentation (Continued)

The *Custodial Funds* are used to account for the collection and disbursement of monies by the Consolidated Government on behalf of other governments and individuals, such as cash bonds, traffic fines, support payments and ad valorem and property taxes.

The **Pension and OPEB Trust Funds** account for all activities of the Consolidated Government's employees' pension plans. This includes a Pension and Benefit Trust Fund, which accounts for the assets and activities of the Consolidated Government's pension, major disability and death benefit. Additionally included is a Retiree Healthcare Funds, which is used to account for the retiree health insurance program to include medical and dental insurance benefits to eligible retirees and their spouses.

The *Internal Service Funds* account for all activities related to the Consolidated Government's risk management, including vehicle accident and workers' compensation claim management and related costs, as well as employee health insurance.

Amounts reported as *program revenues* include: 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Enterprise Funds are charges to customers for sales and services provided. Operating expenses for the enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

#### D. Cash, Cash Equivalents and Investments

Cash and cash equivalents, as reported in the Statement of Cash Flows, includes amounts in demand deposits, amounts with fiscal agents and investments with an original maturity of three months or less. Statutes authorize the Consolidated Government to invest in U.S. Government obligations, U.S. Government agency obligations, State of Georgia obligations, obligations of other counties, municipal corporations and political subdivisions of the State of Georgia which are rated "AA" or better by Moody's Investors Service, Inc., negotiable certificates of deposit issued by any bank or trust company organized under the laws of any state of the United States of America or any national banking association, repurchase agreements when collateralized by the U.S. Government or agency obligations, and pooled investment programs sponsored by the State of Georgia for the investment of local government funds. The Pension and Benefit Trust Fund is also authorized to invest in corporate bonds, domestic common stocks, equity real estate, and international common stocks directly or through pooled investment accounts.

Investments are reported at fair value. Short-term investments are reported at cost, which approximates fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Investments that do not have an established market are reported at estimated fair values.

The Consolidated Government categorizes the fair value measurements of its investments based on the hierarchy established by GAAP. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value: Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The Consolidated Government does not have any investments that are measured using Level 3 inputs.

#### D. Cash, Cash Equivalents and Investments (Continued)

In accordance with O.C.G.A. Public Retirement System Investment Authority Law, Public Retirement Systems may invest in: 1) United States or Canadian corporations or their obligations, with limits as to the corporations' size and credit rating; 2) repurchase and reverse repurchase agreements for direct obligations of the United States government and for obligations unconditionally guaranteed by agencies; 3) Federal Deposit Insurance Corporation ("FDIC") insured cash assets or deposits; 4) bonds, notes, warrants, loans or other debt issued or guaranteed by the U.S. Government; 5) taxable bonds, notes, warrants or other securities issued and guaranteed by any state, the District of Columbia, Canada or any province in Canada; 6) bonds, debentures, or other securities issued or insured or guaranteed by an agency, authority, unit, or corporate body created by the government of the United States of America; 7) investment grade collateralized mortgage obligations; 8) obligations issued, assumed or guaranteed by the International Bank for Reconstruction and Development or the International Financial Corporation; 9) bonds, debentures, notes and other evidence of indebtedness issued, assumed, or guaranteed by any solvent institution existing under the laws of the United States of America or of Canada, or any state or province thereof, which are not in default and are secured to a certain level; 10) secured and unsecured obligations issued by any solvent institution existing under the laws of the United States of America or of Canada, or any state or province thereof, bearing interest at a fixed rate, with mandatory principal and interest due at a specified time with additional limits; 11) equipment trust obligations or interests in transportation equipment, wholly or in part within the United States of America, and the right to receive determinate portions or related income; 12) loans that are secured by pledge or securities eligible for investment; 13) purchase money mortgages or like securities received upon the sale or exchange of real property acquired; 14) secured mortgages or mortgage participation, pass-through, conventional pass-through, trust certificate, or other similar securities with restrictions; 15) land and buildings on such land used or acquired for use as a fund's office for the convenient transaction of its own business with restrictions; and 16) real property and equipment acquired under various circumstances.

Investments in the pension trust funds are reported at fair value. Cash deposits are reported at carrying amount which reasonably estimates fair value.

#### E. Short-Term Interfund Receivables/Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

#### F. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both governmental-wide and fund financial statements. Prepaid items are accounted for using the consumption method.

# G. Inventory

The General and Transportation System Funds utilize a perpetual inventory system where materials and supplies are charged to inventory when acquired and charged to various departments when consumed, the consumption method.

Proprietary fund inventories are valued at the lower of cost (weighted average and specific identification methods) or market. Governmental fund inventories are valued at cost using the first-in/first-out ("FIFO") method.

# H. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. The Consolidated Government's policy has set the capitalization threshold for reporting capital assets at \$5,000, \$50,000 for intangible assets and \$250,000 for infrastructure assets. All purchased capital assets are valued at cost where historical records are available and at an estimated historical cost where no historical records exist. Donated capital assets are valued at their estimated acquisition value on the date Donations of roads by developers that exceeded the capitalization threshold for received. infrastructure assets during the current year are recorded as infrastructure. The Consolidated Government patched and resurfaced several roads during the current year that are considered The Consolidated Government reports only infrastructure acquired or general maintenance. constructed after June 30, 1980, in accordance with GASB Statement No. 34. The Consolidated Government reports intangible assets acquired after June 30, 1980, in accordance with GASB Statement No. 51.

# H. Capital Assets (Continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related capital assets, as applicable.

Depreciation is provided on the straight-line method over the following estimated useful lives:

| Primary Government                |              |
|-----------------------------------|--------------|
| Plant, buildings and improvements | 5 – 40 years |
| Machinery and equipment           | 5 – 15 years |
| Furniture and fixtures            | 5 – 20 years |
| Vehicles                          | 7 – 10 years |
| Infrastructure (roads)            | 20 years     |

# I. Leases

The Consolidated Government has considered the concepts and implications of GASB Statement No. 87 and determined the Consolidated Government does not have any material agreements that fall under the provisions of the statement.

# J. Subscription-based Information Technology Arrangements

The Consolidated Government has considered the concepts and implications of GASB Statement No. 96 and determined the Consolidated Government does not have any material arrangements that fall under the provisions of the statement.

# K. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as expenses in the year the debt is issued.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued and premiums on the issue are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### L. Compensated Absences

It is the policy of the Consolidated Government to permit employees to accumulate earned but unused vacation and sick pay benefits. There is no liability for unpaid accumulated sick leave since the Consolidated Government does not have a policy to pay any amounts when employees separate from service. All vacation pay is accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements.

#### M. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position and the Governmental Funds Balance Sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Consolidated Government has five items that qualify for reporting in this category. The *deferred charge on refunding* is reported in the government-wide Statements of Net Position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded debt or the refunding debt. The remaining items relate to the Consolidated Government's Pension and OPEB Plan. Differences between expected and actual experience differences, changes in assumption, changes in proportion, and changes in proportion and differences between the Consolidated Government's contributions and proportionate share of contributions and contributions, and contributions made subsequent to the measurement date are reported in the government-wide and proprietary fund Statement of Net Position. These contributions will reduce the pension liability in future years.

In addition to liabilities, the Statement of Net Position and the Governmental Funds Balance Sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Consolidated Government has five items that qualify for reporting in this category, one of which arises only under the modified accrual basis of accounting. Accordingly, the item, *unavailable revenue*, is reported only in the Governmental Funds Balance Sheet. The governmental funds report unavailable revenues from one source: property taxes. These amounts are deferred and recognized as an inflow of resources in the period the amounts become available. The remaining items relate to the Consolidated Government's Pension and OPEB Plan. Differences between expected and actual experience, changes in assumption, differences between the projected and actual earnings on pension plan investments, and the changes in proportion and differences between employer contributions and proportionate share contributions are amortized into pension expense over the remaining service lives of plan members.

#### N. Fund Equity

Fund equity at the governmental fund financial reporting level is classified as "fund balance." Fund equity for all other reporting is classified as "net position."

**Fund Balance** – Generally, fund balance represents the difference between the assets and liabilities under the current financial resources measurement focus of accounting. In the fund financial statements, governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the Consolidated Government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

- Non-spendable Fund balances are reported as non-spendable when amounts cannot be spent due to their form (such as inventories and prepaids) or amounts that legally or contractually must be maintained intact (such as the corpus of an endowment fund or perpetual care fund).
- Restricted Fund balances are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Consolidated Government or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.
- Committed Fund balances are reported as committed when they can be used only for specific purposes pursuant to constraints imposed by formal action of the Consolidated Government's highest level of decision making authority (Columbus Council) through the adoption of a resolution. Only the Columbus Council may modify or rescind the commitment or through resolution.
- Assigned Fund balances are reported as assigned when amounts are constrained by the Consolidated Government's intent to be used for specific purposes; intent can be expressed by the governing body (Columbus Council) or by an official or body to which the governing body (Columbus Council) delegates the authority.
- **Unassigned** Fund balances are reported as unassigned as the residual amount when the balances do not meet any of the above criterion. The Consolidated Government reports positive unassigned fund balance only in the General Fund. Negative unassigned fund balances may be reported in all funds.

# N. Fund Equity (Continued)

**Fund Balance Policy –** The Consolidated Government has adopted a Fund Balance Policy. The Fund Balance Policy is intended to provide guidelines during the preparation and execution of the annual budget to ensure that sufficient reserves are maintained for unanticipated expenditures or revenue shortfalls. It is also intended to preserve flexibility throughout the fiscal year to make adjustments in funding programs approved in connection with the annual budget. The main objective of establishing and maintaining a Fund Balance Policy is for the Consolidated Government to maintain a prudent level of financial resources to protect against reducing service levels or raising taxes and fees due to temporary revenue shortfalls or unpredicted one-time expenditures. The Consolidated Government also seeks to maintain the highest possible credit ratings, which are dependent, in part, on the Consolidated Government's maintenance of a healthy fund balance.

**Policy Statement – General Fund** – The fund balance of the Consolidated Government's General Fund has been accumulated to provide stability and flexibility to respond to unexpected adversity and/or opportunities. The target is to maintain an unrestricted fund balance of up to 90 days but shall not be less than 60 days of annual budgeted expenditures for the fiscal year. The Consolidated Government's basic goal is to maintain annual expenditure increases at a growth rate, and to limit expenditures to anticipated revenue in order to maintain a balanced budget. The decision to retain unrestricted fund balance of up to 90 days of annual budgeted expenditures than 60 days of annual budgeted expenditures to anticipated revenue in order to maintain a balanced budget.

- This amount provides adequate funding to cover approximately 60 to 90 days of operating expenses.
- This amount provides the liquidity necessary to accommodate the Consolidated Government's uneven cash flow, which is inherent in its periodic tax collection schedule and reimbursements for grants.
- This amount provides the liquidity to respond to contingent liabilities.
- The Government Finance Officers Association recommends the minimum General Fund unrestricted fund balance to be maintained should be no less than either two months of regular operating revenues or expenditures.

Unassigned fund balance shall be any remaining amounts. In the event that the balance drops below the established minimum level of 60 days, the City Manager will develop a plan as part of the subsequent fiscal year annual budget to replenish the fund balance to the established minimum level in a reasonable timeframe.

In the event an expenditure is made for a purpose for which amounts are available in multiple fund balance classifications, the Consolidated Government will spend the most restricted dollars before less restricted in the following order: non-spendable (if funds become spendable), restricted, committed, assigned, unassigned.

#### N. Fund Equity (Continued)

**Authority to Commit Funds** – The Columbus Council has the authority to set aside amounts for a specific purpose. Any amounts set aside as committed fund balance requires the passage of a resolution/ordinance by a majority vote. The passage of a resolution/ordinance must take place prior to June 30<sup>th</sup> of the applicable fiscal year. If the actual amount of the commitment is not available by June 30<sup>th</sup>, the resolution/ordinance must state the process or formula necessary to calculate the actual amount as soon as the information is available.

**Authority to Assign Funds** – Upon passage of the Fund Balance Policy, authority is given to the Consolidated Government's Finance Director to assign amounts for specific purposes.

Upon passage of the budget ordinance where fund balance is used as a source to balance the budget, the Finance Director shall record the amount as assigned fund balance.

#### Policy Statement – Other Governmental Funds

<u>Special Revenue Funds</u> – Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The amount of any restricted or committed fund balance shall be governed by the legal authority (state law or local ordinance) underlying the creation of the fund.

**Debt Service Funds** – Debt Service Funds are used to account for and report financial resources that are restricted, committed or assigned to expenditure for principal and interest. The amount of any restricted or committed fund balance shall be governed by the ordinance or resolution that authorizes the issuance of the bonds or local ordinance.

<u>Capital Projects Funds</u> – Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The amount of any restricted fund balance shall be governed by the ordinance or resolution that authorizes the issuance of the bonds. The amount of any committed fund balance shall be governed by state law and/or local ordinance 1999 Special Purpose Local Option Sales Tax ("SPLOST") Fund and Special Projects Fund.

### N. Fund Equity (Continued)

#### Policy Statement – Other Governmental Funds (Continued)

**<u>Permanent Fund</u>** – Permanent funds are used to account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs – that is, for the benefit of the government or its citizenry. The Cemetery Perpetual Care Fund is the Consolidated Government's only permanent fund. The corpus (principal) of this fund shall be reported as non-spendable fund balance. Any remaining funds shall be reported as committed fund balance and shall be governed by local ordinance.

*Flow Assumptions* – When both restricted and unrestricted amounts of fund balance are available for use for expenditures incurred, it is the Consolidated Government's policy to use restricted amounts first and then unrestricted amounts as they are needed. For unrestricted amounts of fund balance, it is the Consolidated Government's policy to use fund balance in the following order: 1) committed, 2) assigned, and 3) unassigned.

**Net Position** – Net position represents the difference between assets plus deferred outflows of resources and liabilities plus deferred inflows of resources in reporting which utilizes the economic resources measurement focus. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used (i.e., the amount that the Consolidated Government has spent) for the acquisition, construction or improvement of those assets. Net position is reported as restricted using the same definition as used for restricted fund balance as described in the section above. All other net position is reported as unrestricted.

The Consolidated Government applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

#### O. Management Estimates

The preparation of financial statements in conformity with GAAP in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from these estimates.

#### P. Indirect Cost Allocations

The Consolidated Government utilizes a Cost Allocation Plan prepared in conformance with Uniform Administrative Requirements, which governs the calculation of overhead (or "indirect") costs from federal grants.

# NOTE 2. LEGAL COMPLIANCE – BUDGETS

### Budgets and Budgetary Accounting

The Consolidated Government generally follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1. Prior to May 1, the Mayor submits to Council a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed expenditures and the means of financing them.
- 2. Public notice of budget and tax proposals is provided in conformance with Georgia law.
- 3. Public hearings are conducted to obtain taxpayer comments.
- 4. Prior to July 1, the budget is formally adopted by Council.
- 5. All budget transfers must be approved by the Finance Director or Council depending on the type of expenditure:

|    | Budget Transfer                                    | Approval Required |  |  |  |  |  |
|----|--|-------------------|--|--|--|--|--|
| a. | Among any account within a department              | Finance Director  |  |  |  |  |  |
| b. | Changing the total appropriation of any department | Council           |  |  |  |  |  |

Expenditures for operations and maintenance are classified as materials and supplies and contractual services within the financial statements.

The legal level of control (the level at which expenditures may not legally exceed appropriations) for each legally adopted annual budget is the department.

### NOTE 2. LEGAL COMPLIANCE – BUDGETS (CONTINUED)

#### **Budgets and Budgetary Accounting (Continued)**

Adopted budgets are combined into the Consolidated Government's accounting system as a management control device. Formal budgets are adopted for the General Fund, Debt Service Fund, Sewer Fund, Paving Fund, Community Care Fund, Transportation Fund, Emergency Telephone Fund, Hotel/Motel Tax Fund, County Drug Abuse Treatment Fund, Urban Development Action Grant, Economic Development – Development Authority Fund, Vice/Special Operations Forfeitures Fund, Penalty Assessment Fund, Police Forfeiture Fund, Sheriff's Forfeiture Fund, Marshal's Forfeiture Fund, DPA Partner Program Fund, TSPLOST Discretionary Fund, Recorder's Court Technology Fee Fund, Family Connection Fund, American Rescue Plan Fund, 1999 Sales Tax Proceeds Account Fund, Special Projects Fund, Columbus Building Authority Taxable Lease Revenue Bonds Series 2003B, Columbus Building Authority Lease Revenue Bonds Series 2003A, Columbus Building Authority's Lease Revenue Bonds Series 2018 Fund, Columbus Building Authority's Lease Revenue Bonds Series 2022A Fund, Columbus Building Authority's Taxable Lease Revenue Bonds Series 2022B Fund, Columbus Building Authority's Taxable Lease Revenue Bonds Series 2022C Fund, 1999 Sales Tax Projects Fund, 2022 Sales Tax Projects Fund, TSPLOST Projects Fund and Bond and Lease Purchase Pool Fund. Annual budgets are adopted for the Community Development Block Grant, Workforce Innovation and Opportunity Fund, Multi-Governmental Project Fund, Economic Development Program, Home Program Fund, TAD #1 Benning Technology Fund, TAD #2 6<sup>th</sup> Ave/Liberty District Fund, TAD #3 Uptown District Fund, TAD #4 2nd Ave/City Mill District Fund, TAD #5 Midtown West District Fund, TAD #6 Midtown East District Fund, TAD #7 Midland Commons District Fund, and TAD #8 Southside River District Fund. Budgets for the General, Debt Service, Special Revenue and Capital Projects Funds are adopted on the modified accrual basis except that encumbrances are treated as budgeted expenditures in the year of the incurrence of the commitment to purchase.

Actual GAAP expenditures have been adjusted to the non-GAAP budgetary basis for budgetary comparison within this report. Because there were no encumbrances outstanding at the end of the year in the Debt Service Fund, the budget for this fund is presented on a GAAP basis.

Budgeted amounts are as originally adopted, or as amended, by the Council. Unencumbered appropriations lapse at year-end.

The major difference between the budget basis and GAAP is that encumbrances are recognized as expenditures for budgetary purposes.

Individual fund budgetary comparison schedules are presented for the General, Special Revenue and Debt Service Funds at the legal level of control. Due to the length of the presentation, General Fund budgetary comparisons at the legal level of control are presented in a supplemental budget report on pages 147 through 151.

# NOTE 3. CASH AND INVESTMENTS

Total deposits and investments as of June 30, 2024 are summarized as follows:

| Amounts as presented on the entity-wide Statement of Net Position: |                     |
|--|---------------------|
| Cash and cash equivalents  | \$<br>61,058,421    |
| Investments  | 497,493,903         |
| Amounts as presented on the fiduciary Statement of Net Position:   |                     |
| Cash and cash equivalents - Custodial Funds                        | 9,304,729           |
| Cash and cash equivalents - Pension Trust Funds                    | 2,659,160           |
| Investments - Pension Trust Funds                                  | 636,703,951         |
| Total  | \$<br>1,207,220,164 |
|  |                     |
| Cash deposited with financial institutions                         | \$<br>73,022,310    |
| Investments held at financial institutions                         | 705,962,271         |
| Investments held by the State of Georgia                           | <br>428,235,583     |
|  | \$<br>1,207,220,164 |

As noted previously, the Trade Center Authority, the Bull Creek Golf Authority and the Oxbow Creek Golf Authority do not issue separate financial statements. Therefore, the following information is disclosed:

| Cash and cash equivalents:   |                 |
|--|-----------------|
| Trade Center Authority   | \$<br>959,481   |
| Bull Creek Golf Authority  | 659,269         |
| Oxbow Creek Golf Authority   | 1,700           |
| Investments at the Trade Center Authority - not subject to level disclosure: |                 |
| Investments held at financial institutions - certificates of deposit         | 3,845,432       |
| Investments held by the State of Georgia - Georgia Fund 1                    | 3,342,212       |
|  | \$<br>8,808,094 |

#### NOTE 3. CASH AND INVESTMENTS (CONTINUED)

As of June 30, 2024, the Consolidated Government held the following investments (in thousands):

|                            |              |             |           | Investm   | ent Maturities ( | in Years) |          |           |        |
|----------------------------|--------------|-------------|-----------|-----------|------------------|-----------|----------|-----------|--------|
| Investment Type            | Fair Value   | Less than 1 | 1 - 5     | 6 - 10    | 11 - 15          | 16 - 20   | 21 - 25  | 26 +      | Rating |
| Entity-wide:               |              |             |           |           |                  |           |          |           |        |

**Credit Risk.** State statutes authorize the Consolidated Government to invest in obligations of the State of Georgia or other states; obligations issued by the U.S. Government; obligations fully insured or guaranteed by the U.S. Government or by a government agency of the United States; obligations of any corporation of the U.S. Government; prime bankers' acceptances; the local government investment pool established by state law; repurchase agreements; and obligations of other political subdivisions of the State of Georgia.

**Interest Rate Risk.** This is the risk that the fair value of securities in the Consolidated Government's portfolio will fall due to changes in general interest rates. The Consolidated Government mitigates its risk to interest rate declines by structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity and by investing operating funds primarily in shorter-term securities. In accordance with its investment policy, the Consolidated Government limits the average life in its investment portfolio to less than five years.

#### NOTE 3. CASH AND INVESTMENTS (CONTINUED)

**Concentration of Credit Risk.** This is the risk of loss attributed to the magnitude of the Consolidated Government's investment in a single issuer. To eliminate risk of loss from the overconcentration of assets in a specific maturity, issuer, or class of securities, all cash and cash equivalent assets in all Consolidated Government funds shall be diversified by maturity, issuer, and class of security.

**Fair Value Measurements.** Investments are measured at fair value on a recurring basis. Recurring fair value measurements are those that GASB Statements require or permit in the Statement of Net Position at the end of each reporting period. Fair value measurements are categorized based on the valuation inputs used to measure an asset's fair value: Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable input; Level 3 inputs are significant unobservable inputs. Investments' fair value measurements are as follows at June 30, 2024:

| Investment                 | Level 1           | Level 2          | Level 3 | Fair Value          |
|----------------------------|-------------------|------------------|---------|---------------------|
| Equity stocks              | \$<br>459,329,344 | \$<br>-          | \$<br>- | \$<br>459,329,344   |
| Fixed income securities    | 74,974,203        | -                | -       | 74,974,203          |
| Governmental bonds         | 53,558,255        | -                | -       | 53,558,255          |

| Georgia Fund 1             |                   |                  |         | \$<br>428,235,583   |
| Certificates of deposit    |                   |                  |         | 6,721,928           |
| Cash funds                 |                   |                  |         | <br>6,131,205       |
| Total investments          |                   |                  |         | \$<br>1,134,197,854 |

The Consolidated Government's investment in equity stocks, mutual funds, governmental bonds, and mortgage backed securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those investments. The investments in mortgage backed securities classified as Level 2 of the fair value hierarchy are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices.

The Georgia Fund 1 is an investment pool which does not meet the criteria of GASB Statement No. 79 and is thus valued at fair value in accordance with GASB Statement No. 31. As a result, the Consolidated Government does not disclose the investment in the Georgia Fund 1 within the fair value hierarchy.

#### NOTE 3. CASH AND INVESTMENTS (CONTINUED)

**Custodial Credit Risk – Deposits.** Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. State statutes require all deposits and investments (other than federal or state government instruments) to be collateralized by depository insurance, obligations of the U.S. Government, or bonds of public authorities, counties, or municipalities. The Consolidated Government's policy requires deposits in excess of the FDIC to be 110% secured or insured by collateral valued at market or par, whichever is lower. As of June 30, 2024, the Consolidated Government did not have any balances exposed to custodial credit risk as uninsured and uncollateralized as defined by GASB pronouncements.

**Custodial Credit Risk – Investments.** Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty, the Consolidated Government will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require all investments (other than federal or state government instruments) to be collateralized by depository insurance, obligations of the U.S. Government, or bonds of public authorities, counties, or municipalities. The Consolidated Government's policy requires that financial institutions and broker/dealers who provide investment services be pre-qualified based on several criteria prior to the commencement of services.

**Fiduciary Funds – Investments.** The Consolidated Government maintains a Pension and Benefit Trust Fund which accounts for the assets and activities of the Consolidated Government's pension, major disability, death benefit and other post-employment benefit plans. As of June 30, 2024, the Pension and Benefit Trust Fund invested in the following types of investments:

|                            | Fair Value        | Credit Quality | Weighted Average<br>Maturity (years) |
|----------------------------|-------------------|----------------|--------------------------------------|

The Consolidated Government bills and collects its own property taxes and also bills and collects taxes for the Muscogee County School System. Collections of the county taxes and remittance of them to the General Fund, Sewer Fund, Paving Fund, Community Care Fund, Debt Service Fund, Transportation Fund and the school system, are accounted for in the Tax Commissioner Custodial Fund. County property tax revenues are recognized when due to the extent that they result in current receivables.

Property taxes were levied and due on October 16, 2023, and became delinquent on October 17, 2023. Liens may attach to property for unpaid taxes on December 20, 2023.

# NOTE 5. CAPITAL ASSETS

# A. Primary Government

Capital asset activity for the Consolidated Government's governmental activities for the year ended June 30, 2024 was as follows:

#### **Revenue Bonds**

In July 2012, the Columbus Building Authority issued \$48,612,074 of Series 2012A and Series 2012B revenue bonds. Interest on the Series 2012A bonds is variable from 2.0% to 4.0%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2014, ranging from \$761,015 to \$1,735,797 through January 1, 2033. Interest on the Series 2012B bonds is variable from 2.0% to 3.5%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2014, ranging from \$405,000 to \$1,120,000 through January 1, 2033. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

#### NOTE 6. LONG-TERM DEBT (CONTINUED)

#### A. Primary Government (Continued)

#### **Governmental Activities Debt (Continued)**

#### **Revenue Bonds (Continued)**

In October 2019, the Columbus Building Authority issued lease revenue refunding bonds in the amount of \$75,565,000. The proceeds from the bonds were used to refund the Columbus Building Authority Series 2010B, Series 2010C, January 1, and Series 2018 revenue bonds maturing January 1, 2040, January 1, 2040 and January 1, 2029, respectively. The difference between the cash flows required to service the old debt and the cash flows required to service the new debt, and complete refunding was \$13,449,629. The current refunding resulted in an economic gain of \$10,853,273. Interest on the Series 2019 bonds is variable from 2.75% to 5.00%. Interest is payable semi-annually on June 30 and December 30 of each year with principal payable annually beginning January 1, 2021, ranging from \$1,685,535 to \$5,630,956 through June 30, 2036. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

In December 2019, the Columbus Building Authority issued a Series 2019A lease revenue bond in the amount of \$5,000,000. Interest on the Series 2019A bond is 2.07%. Interest is payable semiannually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2021, ranging from \$305,905 to \$311,663 through January 1, 2040. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

In February 2022, the Columbus Building Authority issued \$41,940,000 of Series 2022A and 5,320,000 of Series 2022B revenue bonds. Interest on the Series 2022A bonds is 5.0%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2027, ranging from \$906,400 to \$4,808,769 through January 1, 2043. Interest on the Series 2022B bonds is 3.0%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2043. Interest on the Series 2022B bonds is 3.0%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2023, ranging from \$928,200 to \$1,366,990 through January 1, 2027. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

#### NOTE 6. LONG-TERM DEBT (CONTINUED)

#### A. Primary Government (Continued)

#### **Governmental Activities Debt (Continued)**

#### **Revenue Bonds (Continued)**

In November 2022, the Columbus Building Authority issued \$12,450,000 of Series 2022C revenue bonds. Interest on the Series 2022C bonds is 5.0%. Interest is payable semi-annually on January 1 and July 1 of each year with principal payable annually beginning January 1, 2024, ranging from \$23,875 to \$378,688 through January 1, 2043. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

In March of 2024, the Columbus Building Authority issued a Series 2024 lease revenue bond in the amount of \$50,000,000. Interest on the Series 2024 bond is variable from 2.75% to 5.00%. Interest is payable semi-annually on July 30 and December 30 of each year with principal payable annually beginning June 30, 2025, ranging from \$196,000 to \$2,523,272 through June 30, 2044. Revenues for various facilities leased to the Consolidated Government by the Columbus Building Authority are pledged, in their entirety, to service the bonds until all outstanding principal and interest is paid.

Annual debt service requirements to maturity for the revenue bonds as of June 30, 2024 are as follows:

| Year ending June 30, | <br>Principal     |    | Interest   | Total |             |  |
|----------------------|-------------------|----|------------|-------|-------------|--|
| 2025                 | \$<br>6,776,015   | \$ | 6,939,940  | \$    | 13,715,955  |  |
| 2026                 | 8,628,044         |    | 7,351,896  |       | 15,979,940  |  |

### NOTE 6. LONG-TERM DEBT (CONTINUED)

#### A. Primary Government (Continued)

#### **Governmental Activities Debt (Continued)**

#### **General Obligation Bonds**

In March 2022, the Consolidated Government issued sales tax bonds in the amount of \$129,490,000. The General Obligation Bonds, Series 2022, bear interest of 5.0% with final maturity in 2032. Proceeds of the bonds will be used to finance a portion of the costs of acquiring, constructing, and equipping new judicial facilities and to pay the issuance costs of the bonds. The Government intends to make its payments under the contract from its portion of the revenues generated by sales and use tax and a direct annual ad valorem property tax; however, the Consolidated Government's portion of the revenue from the taxes are not pledged to such payments or to secure the payment of the bonds.

Annual debt service requirements to maturity for the revenue bonds as of June 30, 2024 are as follows:

| Year ending June 30, | <br>Principal    |    | Interest   | Total |             |  |

# NOTE 6. LONG-TERM DEBT (CONTINUED)

# A. Primary Government (Continued)

#### **Business-type Activities Debt**

#### Landfill Post-Closure Care Cost

State and Federal laws and regulations require the Consolidated Government to place a final cover on its landfill when closed and perform certain maintenance and monitoring functions at the landfill site for 30 years after closure. In addition to operating expenses related to current activities of the landfill, an expense provision and related liability are being recognized based on the future closure and post-closure care costs that will be incurred near or after the date the landfill no longer accepts waste. The recognition of these landfill closure and post-closure care costs is based on the amount of the landfill used during the year. The estimated liability for landfill closure and post-closure care costs has a balance of \$17,247,941 as of June 30, 2024, which is based on 100% usage (filled) of the Schatulga Road Landfill and 57.46% usage (filled) of the Pine Grove Landfill. This liability is recorded in the Integrated Waste Management Enterprise Fund. It is estimated that an additional \$13,546,446 be recognized as closure and post-closure care expenses between the date of the Statement of Net Position and the date the landfills are expected to be filled to capacity, which is in 2032 and 2050, respectively. The estimated total current cost of the landfill closure and postclosure care, \$30,794,387, is based on the amount that would be paid if all equipment, facilities, and services required to close, monitor, and maintain the landfill were acquired as of June 30, 2024. However, the actual cost of closure and post-closure care may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The Consolidated Government expects to finance the costs for the estimated landfill closure and post-closure care costs as they become due during the coming 30 years through the regular operations of the Consolidated Government.

#### **EPD Mandated Liability**

The Georgia Environmental Protection Division (the "EPD") issued the Consolidated Government a consent order requiring the closure of the Wilson Camp Landfill with the following conditions: design and installation of a groundwater and methane gas monitoring system; monitoring of both systems for a minimum of five years; and placement of a minimum of 24 inches of soil over the waste disposal areas and establishment of a permanent stand of vegetation. The closure of the landfill is complete and a liability has been established for post-closure for five years as ordered. All costs for post-closure for this landfill will be recorded in the Integrated Waste Management Fund where all landfill post-closure monitoring costs are recorded. The Consolidated Government incurred post-closure expenditures in the amount of \$24,006 during the year ended June 30, 2024.

#### NOTE 6. LONG-TERM DEBT (CONTINUED)

#### C. Legal Debt Margin

The Consolidated Government is subject to a debt limit of 10% of total assessed property value. As of June 30, 2024, this amount was \$777,441,806. At June 30, 2024, total debt applicable to that limit was \$73,042,797.

#### NOTE 7. INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

The composition of interfund balances as of June 30, 2024 is as follows:

#### Due to/from other funds:

| Receivable Fund                 | Payable Fund                 | Amount |            |  |  |
|---------------------------------|------------------------------|--------|------------|--|--|
| General Fund                    | 2022 Sales Tax Projects Fund | \$     | 23,161     |  |  |
| General Fund                    | Nonmajor Governmental Funds  |        | 1,104,500  |  |  |
| General Fund                    | Integrated Waste Management  |        | 390,586    |  |  |
| General Fund                    | Civic Center Fund            |        | 544,657    |  |  |
| Special Projects Fund           | General Fund                 |        | 3,000,000  |  |  |
| 2021 Sales Tax Proceeds Account | 2022 Sales Tax Projects Fund |        | 20,727,000 |  |  |
| American Resuce Plan Fund       | Nonmajor Governmental Funds  |        | 399,239    |  |  |
| Civic Center Fund               | Nonmajor Governmental Funds  |        | 174,193    |  |  |
|                                 |                              | \$     | 26,363,336 |  |  |
| Receivable Entity               | Payable Entity               | Amount |            |  |  |
| General Fund                    | Oxbow Creek Golf Authority   |        | 87,097     |  |  |
|                                 |                              | \$     | 87,097     |  |  |

These balances resulted from the time lag between the dates that: 1) interfund goods and services are provided or reimbursable expenditures occur, 2) transactions are recorded in the accounting system, and 3) payments between funds are made. All amounts are expected to be repaid within the next year.

| Total                 | \$           | 24,986,691 | \$<br>6,491,475          | \$              | 2,149,452           | \$    | 33,627,618 |

The composition of interfund transfers during the year ended June 30, 2024 were as follows:

Transfers are used to: 1) move revenues from the fund that statute or budget requires to collect them to the fund that the statute or budget requires to expend them, 2) move unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations, and 3) transfer SPLOST funds for various approved capital projects in the resolution.

#### NOTE 8. PENSION PLANS

#### **Primary Government**

#### **General Government Pension Plan**

#### **Plan Description**

*Plan administration.* The General Government Pension Plan (the "General Plan"), a singleemployer defined benefit pension plan, is available to substantially all full-time employees of the Consolidated Government, the Columbus Water Works, the Airport Commission, the Hospital Authority, the Columbus Trade and Convention Center, and the Columbus Golf Authority not covered under the Public Safety Pension Plan that met the General Plan's age and length of service requirements. The Pension Board of Trustees makes recommendations for changes to the General Plan to the Council of the Consolidated Government which has the authority to amend the General Plan document. The Board is comprised of the Mayor, City Manager, Director of Finance, five persons selected by the Mayor from the local business community, one person selected by the Mayor from among the membership of the Retired City Employees' Association, Inc., and two persons designated by the combined process of election and appointment from departments under the supervision of the City Manager and departments under the supervision of the Mayor in his/her capacity as Director of Public Safety. The General Plan does not issue a stand-alone financial statement report.

Plan membership. At June 30, 2023, pension plan membership consisted of the following:

| Active participants   | 1,599 |
|---|-------|
| Retirees and beneficiaries receiving benefits                     | 1,015 |
| Retirees and beneficiaries entitled to but not receiving benefits | 824   |
|   | 3,438 |

*Benefits provided.* Participants in the General Plan with five years of continuous service, or ten years if hired after June 30, 2012, who retired at or after age 65 are entitled to a monthly benefit equal to 2% of the final five-year average earnings multiplied by years of service up to 30 years. The General Plan provides death and disability benefits. These benefit provisions and all other requirements including amendments are established by Consolidated Government ordinance. The General Plan also provides for reduced benefits if the participant elects to retire after attaining age 55 and completing 15 years of service.

#### NOTE 8. PENSION PLANS

#### **Primary Government (Continued)**

#### **General Government Pension Plan (Continued)**

#### Plan Description (Continued)

*Contributions.* Employees hired prior to July 1, 2012, are required to make contributions to the General Plan equal to 4% of earnings and all employees hired on or after July 1, 2012, are required to make contributions equal to 8% of earnings. The Consolidated Government is required to contribute the remaining amounts necessary to fund the General Plan. The contribution amount is determined using actuarial methods and assumptions approved by the trustees and must satisfy the minimum contribution requirement contained in the State of Georgia statutes. Administrative costs of the General Plan are financed through investment income. Contributions are refundable at death or if the employee terminates employment. Interest payable on contributions is subject to a minimum employment period of five years for employees hired prior to July 1, 2012, and ten years if hired on or after July 1, 2012. For the year ended June 30, 2023, the Consolidated Government's contributions to the General Plan were \$5,688,400, and the contribution rate was 7.3% of annual payroll.

#### Net Pension Liability of the Consolidated Government

The Consolidated Government's net pension liability was measured as of June 30, 2023. The total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of July 1, 2022, with updated procedures performed by the actuary to roll forward the total pension liability measured as of June 30, 2023.

Actuarial assumptions. The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Inflation                 | 2.10%   |
|---------------------------|---|
| Salary increases          | 3.25%   |
| Investment rate of return | 3.76%, net of pension plan investment expense |

Mortality rates were based on the PUB-2010 Mortality Table for general employees with full generational improvements in mortality using Scale MP-2020.

All actuarial assumptions were reviewed prior to the preparation of the July 1, 2022 valuation. As a very significant portion of the actuarial liability is attributable to inactive lives, the two assumptions (investment return and mortality table) that have the most significant impact on the liabilities were revised to reflect the actuary's anticipated future experience of the plan.

#### NOTE 8. PENSION PLANS (CONTINUED)

#### **Primary Government (Continued)**

#### **General Government Pension Plan (Continued)**

#### Net Pension Liability of the Consolidated Government (Continued)

Actuarial assumptions (Continued). The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2023 are summarized in the following table:

| Investment Category             | Target Allocation | Long-term<br>Expected Real<br>Rate of Return* |
|---------------------------------|-------------------|---|
| U.S. large cap equity           | 43%               | 4.56%   |
| U.S. small/mid cap equity       | 6%                | 4.84%   |
| Non-U.S. developed large equity | 8%                | 4.63%   |
| Emerging markets equity         | 2%                | 5.81%   |
| U.S. aggregate fixed income     | 10%               | 2.28%   |
| U.S. short-term fixed income    | 9%                | 1.99%   |
| U.S. long-term fixed income     | 11%               | 2.27%   |
| U.S. high yield fixed income    | 4%                | 3.93%   |
| Non-U.S. broad fixed income     | 3%                | 1.46%   |
| U.S. real estate                | 4%                | 4.16%   |
|                                 | 100%              |   |

\* Rates shown are net of 2.10% assumed rate of inflation.

*Discount rate*. The discount rate used to measure the total pension liability was 5.86%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the Consolidated Government contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all projected benefit payments to determine the total pension liability.

#### Net Pension Liability of the Consolidated Government (Continued)

*Changes in the Net Pension Liability of the Consolidated Government (Continued).* The required Schedule of Changes in the Consolidated Government's Net Pension Liability and Related Ratios immediately following the notes to the financial statements presents multi-year trend information about whether the value of plan assets is increasing or decreasing over time relative to the total pension liability.

Sensitivity of the net pension liability to changes in the discount rate. The following table presents the net pension liability of the Consolidated Government, calculated using the discount rate of 5.86%, as well as what the Consolidated Government's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.86%) or 1-percentage-point higher (6.86%) than the current rate:

| Proportionate share of the<br>net pension liability | 1% Decrease<br>(4.86%) |             | Di | Current<br>scount Rate<br>(5.86%) | 1% Increase<br>(6.86%) |            |  |

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of June 30, 2024, and the current sharing pattern of costs between employer and employee.

# Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

The Consolidated Government's contributions subsequent to the measurement date of \$3,628,458 are reported as deferred outflows of resources and will be recognized as a reduction of the net pension asset in the year ending June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

| <u>Year ending June 30,</u> |                   |

#### Public Safety Pension Plan

#### **Plan Description**

*Plan administration.* The Public Safety Pension Plan (the "Public Safety Plan"), a single-employer defined benefit pension plan, is available to all sworn officers of the Department of Public Safety, correctional officers and law enforcement officers of the Muscogee County Sheriff's Department, law enforcement officers of Parks Security and law enforcement officers of the Airport Commission. The Pension Board of Trustees makes recommendations for changes to the Public Safety Plan to the Council of the Consolidated Government which has the authority to amend the Public Safety Plan document. The Board is comprised of the Mayor, City Manager, Director of Finance, five persons selected by the Mayor from the local business community, one person selected by the Mayor from the local business community, one person selected by the supervision of the City Manager and departments under the supervision of the Mayor in his/her capacity as Director of Public Safety. The Public Safety Plan does not issue a stand-alone financial statement report.

## NOTE 8. PENSION PLANS (CONTINUED)

#### Primary Government (Continued)

#### Public Safety Pension Plan (Continued)

#### Plan Description (Continued)

Plan membership. At June 30, 2023, pension plan membership consisted of the following:

| Active participants   | 1,056 |
|---|-------|
| Retirees and beneficiaries receiving benefits                     | 741   |
| Retirees and beneficiaries entitled to but not receiving benefits | 571   |
|   | 2,368 |

*Benefits provided.* Participants in the Public Safety Plan with five years of continuous service, or ten years if hired after June 30, 2012, who retired at or after age 65 are entitled to a monthly benefit equal to 2% of the final five-year average earnings multiplied by years of service up to 30 years. The Public Safety Plan provides death and disability benefits. These benefit provisions and all other requirements including amendments are established by Consolidated Government ordinance. The Public Safety Plan also provides for reduced benefits if the participant elects to retire after attaining age 50 and completing 20 years of service.

*Contributions.* Employees hired prior to July 1, 2012, are required to make contributions to the Public Safety Plan equal to 4% of earnings and all employees hired on or after July 1, 2012, are required to make contributions equal to 8% of earnings. The Consolidated Government is required to contribute the remaining amounts necessary to fund the Public Safety Plan. The contribution amount is determined using actuarial methods and assumptions approved by the trustees and must satisfy the minimum contribution requirement contained in the State of Georgia statutes. Administrative costs of the Public Safety Plan are financed through investment income. Contributions are refundable at death or if the employee terminates employment. Interest payable on contributions is subject to a minimum employment period of five years for employees hired prior to July 1, 2012, and ten years if hired on or after July 1, 2012. For the year ended June 30, 2023, the Consolidated Government's contributions to the Public Safety Plan were \$12,045,702, and the contribution rate was 18.3% of annual payroll.

# NOTE 8. PENSION PLANS (CONTINUED)

## **Primary Government (Continued)**

#### Public Safety Pension Plan (Continued)

#### Net Pension Liability of the Consolidated Government

The Consolidated Government's net pension liability was measured as of June 30, 2023. The total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022, with update procedures performed by the actuary to roll forward the total pension liability measured as of June 30, 2023.

Actuarial assumptions. The total pension liability in the July 1, 2022, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Inflation                 | 2.10%   |
|---------------------------|---|
| Salary increases          | 3.25%   |
| Investment rate of return | 3.76%, net of pension plan investment expense |

Mortality rates were based on the PUB-2010 Mortality Table for public safety employees with generational improvements in mortality using Scale MP-2020.

All actuarial assumptions were reviewed prior to the preparation of the July 1, 2022, valuation. As a very significant portion of the actuarial liability is attributable to inactive lives, the two assumptions (investment return and mortality table) that have the most significant impact on the liabilities were revised to reflect the actuary's anticipated future experience of the plan.

## NOTE 8. PENSION PLANS (CONTINUED)

### Primary Government (Continued)

#### Public Safety Pension Plan (Continued)

#### Net Pension Liability of the Consolidated Government (Continued)

Actuarial assumptions (Continued). The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2023, are summarized in the following table:

| Investment Category             | Target Allocation | Long-term<br>Expected Real<br>Rate of Return* |
|---------------------------------|-------------------|---|
| U.S. large cap equity           | 43%               | 4.56%   |
| U.S. small/mid cap equity       | 6%                | 4.84%   |
| Non-U.S. developed large equity | 8%                | 4.63%   |
| Emerging markets equity         | 2%                | 5.81%   |
| U.S. aggregate fixed income     | 10%               | 2.28%   |
| U.S. short-term fixed income    | 9%                | 1.99%   |
| U.S. long-term fixed income     | 11%               | 2.27%   |
| U.S. high yield fixed income    | 4%                | 3.93%   |
| Non-U.S. broad fixed income     | 3%                | 1.46%   |
| U.S. real estate                | 4%                | 4.16%   |
|                                 | 100%              |   |

\* Rates shown are net of 2.10% assumed rate of inflation.

#### NOTE 8. PENSION PLANS (CONTINUED)

## Primary Government (Continued)

#### Public Safety Pension Plan (Continued)

#### Net Pension Liability of the Consolidated Government (Continued)

Discount rate. The discount rate used to measure the total pension liability was 5.86%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the Consolidated Government's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all projected benefit payments to determine the total pension liability.

Changes in the Net Pension Liability of the Public Safety Pension Plan. The changes in the components of the net pension liability of the Public Safety Pension Plan for the year ended June 30, 2024 were as follows:

|   | Т              | otal Pension<br>Liability<br>(a) | an Fiduciary<br>Net Position<br>(b) | I        | Net Pension<br>Liability<br>(a) - (b) |

#### Net Pension Liability of the Consolidated Government (Continued)

Sensitivity of the Net Pension Liability to changes in the discount rate. The following table presents the Net Pension Liability of the Consolidated Government, calculated using the discount rate of 5.86%, as well as what the Consolidated Government's Net Pension Liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.86%) or 1-percentage-point higher (6.86%) than the current rate:

| Proportionate share of the net pension liability       | 1  | % Decrease<br>(4.86%)    | D  | Current<br>Viscount Rate<br>(5.86%) | 1  | 1% Increase<br>(6.86%) |
|--|----|--------------------------|----|-------------------------------------|----|------------------------|
| Consolidated Government<br>Columbus Airport Commission | \$ | 192,267,298<br>1,413,875 | \$ | 132,788,315<br>976,485              | \$ | 84,296,438<br>619,890  |
| Total net pension liability                            | \$ | 193,681,173              | \$ | 133,764,800                         | \$ | 84,916,328             |

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of June 30, 2023, and the current sharing pattern of costs between employer and employee.

## Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Sensitivity of the Net Pension Liability to changes in the discount rate (Continued). For the year ended June 30, 2024, the Consolidated Government recognized pension expense of \$18,745,044. At June 30, 2024, the Consolidated Government reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

|  | Deferred Outflows of Resources |             |    |                    |    |            |

# Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

Sensitivity of the Net Pension Liability to changes in the discount rate. The Consolidated Government's contributions subsequent to the measurement date of \$11,945,856 are reported as deferred outflows of resources and will be recognized as a reduction of the Net Pension Liability in the year ending June 30, 2025. Other amounts reported as deferred inflows and outflows of resources related to pensions will be recognized in pension expense as follows:

| <u>Year ending June 30,</u> |                  |
|-----------------------------|------------------|
| 2025                        | \$<br>3,460,179  |

#### Death Benefit Plan

#### **Plan Description**

*Plan administration.* The Death Benefit Plan, a single-employer defined benefit pension plan, is available to employees of the Consolidated Government, the Columbus Water Works, the Airport Commission, the Hospital Authority, the Columbus Trade and Convention Center and the Columbus Golf Authority. The Pension Board of Trustees makes recommendations for changes to the Death Benefit Plan to the Council of the Consolidated Government which has the authority to amend the Death Benefit Plan document. The Board is comprised of the Mayor, City Manager, Director of Finance, five persons selected by the Mayor from the local business community, one person selected by the Mayor from the local business community, one person selected by the combined process of election and appointment from departments under the supervision of the City Manager and departments under the supervision of the Mayor in his/her capacity as Director of Public Safety. The Death Benefit Plan does not issue a stand-alone financial statement report.

## NOTE 8. PENSION PLANS (CONTINUED)

## **Primary Government (Continued)**

#### **Death Benefit Plan (Continued)**

#### **Plan Description (Continued)**

Plan membership. At June 30, 2023, pension plan membership consisted of the following:

| Active participants                           | 2,499 |
|---|-------|
| Retirees and beneficiaries receiving benefits | 1,747 |
|   | 4,246 |

*Benefits provided.* Participants in the Death Benefit Plan who, on the day prior to retirement under the City's Employees' Retirement Fund, are insured for group life insurance under the City Employees Group Insurance Plan are entitled to a death benefit of 50% of the amount of group life in effect on the last day of employment reduced by 10% for each year of retirement with minimum benefit being \$5,000. These benefit provisions and all other requirements including amendments are established by Consolidated Government ordinance.

*Contributions*. The Death Benefit Plan is subject to minimum funding standards of the Georgia Public Retirement Systems Standards law. The Board of Trustees of the Death Benefit Plan has adopted a recommended actuarial funding policy for the plan which meets state minimum requirements and will accumulate sufficient funds to provide the benefits under the plan. The funding policy for the Death Benefit Plan, as adopted by the Commission, is to contribute an amount equal to the actuarially recommended contribution rate. This rate is based on the estimated amount necessary to finance the costs of benefits earned by plan members during the year, with an additional amount to finance any unfunded accrued liability. For the year ended June 30, 2023, the Consolidated Government's contributions to the Death Benefit Plan were \$268,454, and the contribution rate was 0.2% of annual payroll.

#### Net Pension Liability of the Consolidated Government

The Consolidated Government's Net Pension Liability was measured as of June 30, 2023. The total pension liability used to calculate the Net Pension Liability was determined by an actuarial valuation as of July 1, 2022, with update procedures performed by the actuary to roll forward the total pension liability measured as of June 30, 2023.

## NOTE 8. PENSION PLANS (CONTINUED)

## Primary Government (Continued)

#### **Death Benefit Plan (Continued)**

#### Net Pension Liability of the Consolidated Government (Continued)

Actuarial assumptions. The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Inflation                 | 2.10%   |
|---------------------------|---|
| Salary increases          | 3.25%   |
| Investment rate of return | 3.76%, net of pension plan investment expense |

Mortality rates were based on the PUB-2010 Mortality Table for general employees with full generational improvements in mortality using Scale MP-2020.

All actuarial assumptions were reviewed prior to the preparation of the July 1, 2022 valuation. As a very significant portion of the actuarial liability is attributable to inactive lives, the two assumptions (investment return and mortality table) that have the most significant impact on the liabilities were revised to reflect the actuary's anticipated future experience of the plan.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2023 are summarized in the following table:

## NOTE 8. PENSION PLANS (CONTINUED)

## **Primary Government (Continued)**

#### **Death Benefit Plan (Continued)**

#### Net Pension Liability of the Consolidated Government (Continued)

| Investment Category             | Target Allocation | Long-term<br>Expected Real<br>Rate of Return* |
|---------------------------------|-------------------|---|
| U.S. large cap equity           | 43%               | 4.56%   |
| U.S. small/mid cap equity       | 6%                | 4.84%   |
| Non-U.S. developed large equity | 8%                | 4.63%   |
| Emerging markets equity         | 2%                | 5.81%   |
| U.S. aggregate fixed income     | 10%               | 2.28%   |
| U.S. short-term fixed income    | 9%                | 1.99%   |
| U.S. long-term fixed income     | 11%               | 2.27%   |
| U.S. high yield fixed income    | 4%                | 3.93%   |
| Non-U.S. broad fixed income     | 3%                | 1.46%   |
| U.S. real estate                | 4%                | 4.16%   |
|                                 | 100%              |   |
|                                 |                   |   |

\* Rates shown are net of 2.10% assumed rate of inflation.

*Discount rate*. The discount rate used to measure the total pension liability was 5.86%. The projection of cash flows used to determine the discount rate assumed that Consolidated Government contributions will be made at rates equal to the actuarially determined contribution. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all of the projected benefit payments to determine the total pension liability.

## **Primary Government (Continued)**

#### **Death Benefit Plan (Continued)**

#### Net Pension Liability of the Consolidated Government (Continued)

Sensitivity of the Net Pension Liability to changes in the discount rate. The following presents the Net Pension Liability of the Consolidated Government, calculated using the discount rate of 5.86%, as well as what the Consolidated Government's Net Pension Liability would be if it were calculated using a discount rate that is 1-percentage-point lower (4.86%) or 1-percentage-point higher (6.86%) than the current rate:

|  |    |           |    | Current     |    |            |
|--|----|-----------|----|-------------|----|------------|
|  | 19 | %Decrease | Di | scount Rate | 19 | % Increase |
| Proportionate share of the net pension liability |    | (4.86%)   |    | (5.86%)     |    | (6.86%)    |
| Consolidated Government                          | \$ | 2,244,145 | \$ | 1,672,312   | \$ | 1,212,339  |
| Columbus Water Works                             |    | 326,759   |    | 243,497     |    | 176,523    |
| Hospital Authority of Columbus                   |    | 185,490   |    | 138,225     |    | 100,206    |
| Columbus Airport Commission                      |    | 26,710    |    | 19,904      |    | 14,429     |
| Total net pension liability                      | \$ | 2,783,104 | \$ | 2,073,938   | \$ | 1,503,497  |

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of June 30, 2023, and the current sharing pattern of costs between employer and employee.

#### Major Disability Plan

#### **Plan Description**

*Plan administration.* The Major Disability Plan, a single-employer defined benefit pension plan, is available to all full-time employees of the Consolidated Government, the Columbus Water Works, the Airport Commission, the Hospital Authority, the Columbus Trade and Convention Center and the Columbus Golf Authority after July 1 following their employment. The Pension Board of Trustees makes recommendations for changes to the Major Disability Plan to the Council of the Consolidated Government which has the authority to amend the Major Disability Plan document. The Board is comprised of the Mayor, City Manager, Director of Finance, five persons selected by the Mayor from the local business community, one person selected by the Mayor from among the membership of the Retired City Employees Association, Inc., and two persons designated by the combined process of election and appointment from departments under the supervision of the City Manager and departments under the supervision of the Mayor in his/her capacity as Director of Public Safety. The Major Disability Plan does not issue a stand-alone financial statement report.

## NOTE 8. PENSION PLANS (CONTINUED)

## Primary Government (Continued)

#### Major Disability Plan (Continued)

#### **Plan Description (Continued)**

Plan membership. At June 30, 2023, pension plan membership consisted of the following:

| Active participants                           | 2,407 |
|---|-------|
| Retirees and beneficiaries receiving benefits | 47    |
|   | 2,454 |

*Benefits provided.* Participants in the Major Disability Plan are entitled to a benefit of 60% of monthly compensation earned during the year prior to the date of disability reduced by workers' compensation or other disability benefits. These benefit provisions and all other requirements including amendments are established by Consolidated Government ordinance.

*Contributions*. The Major Disability Plan is subject to minimum funding standards of the Georgia Public Retirement Systems Standards law. The Board of Trustees of the Major Disability Plan has adopted a recommended actuarial funding policy for the plan which meets state minimum requirements and will accumulate sufficient funds to provide the benefits under the plan. The funding policy for the Major Disability Plan, as adopted by the Commission, is to contribute an amount equal to the actuarially recommended contribution rate. This rate is based on the estimated amount necessary to finance the costs of benefits earned by plan members during the year, with an additional amount to finance any unfunded accrued liability. For the year ended June 30, 2023, the Consolidated Government's contributions to the Major Disability Plan were \$329,027 and the contribution rate was 0.1% of annual payroll.

#### Net Pension Liability of the Consolidated Government

The Consolidated Government's Net Pension Liability was measured as of June 30, 2023. The total pension liability used to calculate the Net Pension Liability was determined by an actuarial valuation as of July 1, 2022, with update procedures performed by the actuary to roll forward the total pension liability measured as of June 30, 2023.

Actuarial assumptions. The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Inflation                 | 2.10%   |
|---------------------------|---|
| Salary increases          | 3.25%   |
| Investment rate of return | 3.76%, net of pension plan investment expense |

## NOTE 8. PENSION PLANS (CONTINUED)

## **Primary Government (Continued)**

#### Major Disability Plan (Continued)

#### Net Pension Liability of the Consolidated Government (Continued)

*Actuarial assumptions (Continued).* Mortality rates were based on the PUB-2010 Mortality Table for general employees with full generational improvements in mortality using Scale MP-2020.

All actuarial assumptions were reviewed prior to the preparation of the July 1, 2022 valuation. As a very significant portion of the actuarial liability is attributable to inactive lives, the two assumptions (investment return and mortality table) that have the most significant impact on the liabilities were revised to reflect the actuary's anticipated future experience of the plan.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2023 are summarized in the following table:

| Investment Category             | Target Allocation | Long-term<br>Expected Real<br>Rate of Return* |
|---------------------------------|-------------------|---|
| U.S. large cap equity           | 43%               | 4.56%   |
| U.S. small/mid cap equity       | 6%                | 4.84%   |
| Non-U.S. developed large equity | 8%                | 4.63%   |
| Emerging markets equity         | 2%                | 5.81%   |
| U.S. aggregate fixed income     | 10%               | 2.28%   |
| U.S. short-term fixed income    | 9%                | 1.99%   |
| U.S. long-term fixed income     | 11%               | 2.27%   |
| U.S. high yield fixed income    | 4%                | 3.93%   |
| Non-U.S. broad fixed income     | 3%                | 1.46%   |
| U.S. real estate                | 4%                | 4.16%   |
|                                 | 100%              |   |

\* Rates shown are net of 2.10% assumed rate of inflation.

## NOTE 8. PENSION PLANS (CONTINUED)

## Primary Government (Continued)

#### Major Disability Plan (Continued)

#### Net Pension Liability of the Consolidated Government (Continued)

*Discount rate*. The discount rate used to measure the total pension liability was 5.86%. The projection of cash flows used to determine the discount rate assumed that the Consolidated Government's contributions will be made at rates equal to the actuarially determined contribution. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all of the projected benefit payments to determine the total pension liability.

*Changes in the Net Pension Liability of the Major Disability Plan.* The changes in the components of the Net Pension Liability of the Major Disability Plan for the year ended June 30, 2024 were as follows:

|   | Total Pension<br>Liability<br>(a) |                |    | r Fiduciary<br>t Position<br>(b) | Net Pension<br>Liability<br>(a) - (b) |           |  |
|---|-----------------------------------|----------------|----|----------------------------------|---------------------------------------|-----------|--|

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of June 30, 2023, and the current sharing pattern of costs between employer and employee.

# NOTE 8. PENSION PLANS (CONTINUED)

## Primary Government (Continued)

#### Major Disability Plan (Continued)

# Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

The Consolidated Government's contributions subsequent to the measurement date of \$231,532 are reported as deferred outflows of resources and will be recognized as a reduction of the Net Pension Liability in the year ending June 30, 2025. Other amounts reported as deferred inflows of resources related to pensions will be recognized in pension expense as follows:

| <u>Year ending June 30,</u> |                 |
|-----------------------------|-----------------|
| 2025                        | \$<br>(13,135)  |
| 2026                        | (16,092)        |
| 2027                        | (22,067)        |
| 2028                        | (19,727)        |
| 2029                        | (19,461)        |
| Thereafter                  | <br>(401,624)   |
| Total                       | \$<br>(492,106) |

#### Aggregate Pension Expense

The Consolidated Government's recognized aggregate pension expense across all plans is as follows:

| Consolidated Government:        |                  |
|---------------------------------|------------------|
| General Government Pension Plan | \$<br>14,609,929 |
| Public Safety Pension Plan      | 15,674,449       |
| Defined Benefit Plan            | 134,801          |
| Major Disability Plan           | 282,178          |
|                                 | \$<br>30,701,357 |

# NOTE 9. OTHER POST-EMPLOYMENT BENEFITS

## **Plan Description**

*Plan administration.* The Columbus Retiree Healthcare Plan (the "OPEB Plan"), a single-employer post-employment defined benefit plan, is available to full-time employees of the Consolidated Government, Columbus Trade and Convention Center, Bull Creek Golf Authority, and the Oxbow Creek Golf Authority. The OPEB Board of Trustees makes recommendations for changes to the OPEB Plan to the Council of the Consolidated Government, which has the authority to amend the OPEB Plan document. The Board is comprised of the Mayor, City Manager, Director of Finance, five persons selected by the Mayor from the local business community, one person selected by the Mayor from among the membership of the Retired City Employees Association, Inc., and two persons designated by the combined process of election and appointment from departments under the supervision of the City Manager and departments under the supervision of the Mayor in his/her capacity as Director of Public Safety. The OPEB Plan does not issue stand-alone financial statements.

Plan membership. At June 30, 2023, OPEB plan membership consisted of the following:

| Active participants                           | 2,103 |
|---|-------|
| Retirees and beneficiaries receiving benefits | 1,070 |
|   | 3,173 |

*Benefits provided.* Participants in the OPEB plan are entitled to continuation of medical and dental insurance benefits for the retiree and their spouse for the lifetime of the retiree, or until the retiree reaches age 65 if hired on or after July 1, 2012. These benefit provisions and all other requirements including amendments are established by Consolidated Government ordinance.

*Contributions.* Participants are required to contribute an amount determined periodically by the Consolidated Government based on the plan selected and persons covered. The required contribution is based on projected pay-as-you-go financing requirements, with an additional amount to pre-fund benefits as determined by the OPEB Plan's actuary. For the year ended June 30, 2023, the Consolidated Government contributed \$1,692,603.

## Net OPEB Liability of the Consolidated Government

The Consolidated Government's net OPEB liability was measured as of June 30, 2023. The total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of July 1, 2022, with update procedures performed by the actuary to roll forward the total OPEB liability measured as of June 30, 2023.

Actuarial assumptions. The total OPEB liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Discount rate              | 4.13%                                   |
|----------------------------|---|
| Healthcare cost trend rate | 8.00% graded by 0.50% per year to an    |
|                            | ultimate rate of 5.00%                  |
| Inflation                  | 2.50%                                   |
| Participation rate         | 100%                                    |
| Investment rate of return  | (2.50)%, net of plan investment expense |

Mortality rates were based on the gender-distinct PUB-2010 Mortality Table (without income adjustments) for general and public safety employees, with full generational improvements in mortality using Scale MP-2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2023, are summarized in the following table:

|             |                   | Long-term<br>Expected Real |
|-------------|-------------------|----------------------------|
| Asset Class | Target Allocation | Rate of Return*            |
| Cash        | 100%              | (2.50)%                    |

\* Rates shown are net of the 2.50% assumed rate of inflation.

*Discount rate*. The discount rate used to measure the total OPEB liability was 4.13%. This rate was determined using an index rate of 20-year, tax-exempt general obligation bonds with an average rating of AA or higher - which was 4.13% as determined by the S&P Municipal Bond 20-year High Grade Index as of June 30, 2023.

## Net OPEB Liability of the Consolidated Government (Continued)

*Changes in the Net OPEB Liability of the Consolidated Government.* The changes in the components of the net OPEB liability of the Consolidated Government for the year ended June 30, 2024 were as follows:

|  | т               | otal OPEB<br>Liability<br>(a) | n Fiduciary<br>et Position<br>(b) | Net OPEB<br>Liability<br>(a) - (b) |             |  |
|--|-----------------|-------------------------------|-----------------------------------|------------------------------------|-------------|--|
| Balances at 6/30/23                                  | \$              | 35,869,260                    | \$<br>1,537,569                   | \$                                 | 34,331,691  |  |
| Changes for the year:                                |                 |                               |                                   |                                    |             |  |

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as results are compared to past expectations and new estimates are made about the future. Actuarial calculations reflect a long-term perspective. Calculations are based on the substantive plan in effect as of June 30, 2023, and the current sharing pattern of costs between employer and employee.

# **OPEB** Expense and Deferred Outflows and Inflows of Resources Related to **OPEB**

For the year ended June 30, 2024, the Consolidated Government recognized OPEB expense of \$(2,265,499). At June 30, 2024, the Consolidated Government reported deferred outflows and inflows of resources related to OPEB from the following sources:

|  | Deferred Inflows of Resources |               |      |            |     |            |  |  |

## NOTE 11. RISK MANAGEMENT

## **Employee Health Insurance Fund**

The Consolidated Government has established a Risk Management Fund (an Internal Service Fund) in which losses associated with employee and retiree health claims are accounted for and financed. A commercial health insurance company administers the health claims. Under this program, the employee health care insurance fund provides coverage for up to a maximum of \$350,000 for each worker's or retiree's health claim. The Consolidated Government purchases coverage in excess of \$350,000 from the health insurance company by increase in administration charges. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

All funds of the Consolidated Government participate in the program and make payments to this fund based on estimates provided through analysis of historical cost information of the amounts needed to pay prior and current year claims and to establish a reserve for catastrophic losses. The claims liability of \$1,767,073 reported in the fund at June 30, 2024, is based on the requirements of GASB Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Changes in the fund's claims liability amount in fiscal 2024 and 2023 were:

|  | June 30, 2024 |              | June 30, 2023 |              |
|--|---------------|--------------|---------------|--------------|
| Unpaid claims, beginning of fiscal year  | \$            | 620,000      | \$            | 1,240,000    |
| Incurred claims and changes in estimates |               | 21,980,193   |               | 16,923,612   |
| Claim payments                           |               | (20,863,120) |               | (17,543,612) |
| Unpaid claims, end of fiscal year        | \$            | 1,737,073    | \$            | 620,000      |

#### Workers' Compensation and Uninsured Losses

It is the policy of the Consolidated Government not to purchase commercial insurance for certain risks of loss to which it is exposed. Instead, the Consolidated Government believes it more economical to manage its certain risks internally and set aside assets for claim settlement in the Risk Management Fund.

The Risk Management Fund services claims for risks of loss, including general liability, property and casualty, and workers' compensation. The USIS administers the workers' compensation claims. Under this program, all claims payments are made by USIS with monthly billing to the Consolidated Government. Other services of USIS include: claims administrative services, risk management information services, loss control and safety, subsequent Injury Trust Fund, Workers' Compensation Board assessment and actuarial reporting.

# NOTE 11. RISK MANAGEMENT (CONTINUED)

# Workers' Compensation and Uninsured Losses (Continued)

All funds of the Consolidated Government participate in the Risk Management Fund. The Risk Management Fund allocates the cost of providing claims servicing and claims payment by charging a "premium" to each fund, based on a percentage of each organization's estimated current-year payroll. This charge considers recent trends in actual claims experience of the Consolidated Government as a whole and makes provision for catastrophic losses.

Liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. Because actual claims liabilities depend on such complex factors as inflation, changes in legal doctrines, and damage awards, the process used in computing claims liability does not necessarily result in an exact amount. Claims liabilities are re-evaluated periodically to take into consideration recently settled claims, the frequency of claims, and other economic and social factors. Changes in the balances of claims liabilities for the Risk Management Fund during fiscal year 2024 and 2023 were as follows:

|  | June 30, 2024 |             | June 30, 2023 |             |
|--|---------------|-------------|---------------|-------------|
| Unpaid claims, beginning of fiscal year  | \$            | 226,421     | \$            | 451,570     |
| Incurred claims and changes in estimates |               | 4,770,862   |               | 1,902,845   |
| Claim payments                           |               | (4,252,940) |               | (2,127,994) |
| Unpaid claims, end of fiscal year        | \$            | 744,343     | \$            | 226,421     |

# NOTE 12. COMMITMENTS AND CONTINGENCIES

## Litigation

The Consolidated Government is involved in several pending lawsuits. It is the opinion of management, in consultation with legal counsel, that it cannot be determined whether resolution of the other pending cases will have a material adverse effect on the financial condition of the Consolidated Government.

## **Contractual Commitments**

At June 30, 2024, in addition to the liabilities enumerated on the Balance Sheet, the Consolidated Government also had contractual commitments on uncompleted construction contracts in the amount of approximately \$284,640,000 for the completion of various projects.

# NOTE 12. COMMITMENTS AND CONTINGENCIES (CONTINUED)

## **Grant Contingencies**

The Consolidated Government has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to the disallowance of certain expenditures previously reimbursed by those agencies. Based upon prior experience, the Consolidated Government's management believes such disallowances, if any, will not be significant.

## Encumbrances

As discussed in Note 1, encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year-end, the amount of encumbrances expected to be honored upon performance by the vendor in the next year were as follows:

| Encumbrances                         |    |             |  |  |
|--------------------------------------|----|-------------|--|--|
| General Fund                         | \$ | 8,366,230   |  |  |
| G.O. Sales Tax Bond Series 2022 Fund | Ŧ  | 140,068,831 |  |  |
| Special Projects Fund                |    | 8,898,924   |  |  |
| T-SPLOST Projects Fund               |    | 5,284,574   |  |  |
| American Rescue Plan Fund            |    | 12,790,290  |  |  |
| 2022 Sales Tax Project Fund          |    | 15,729,608  |  |  |
| Integrated Waste Management Fund     |    | 178,106     |  |  |
| Civic Center Fund                    |    | 2,003,326   |  |  |
| Transportation Fund                  |    | 1,280,436   |  |  |
| Nonmajor governmental funds          |    | 49,611,553  |  |  |
|                                      | \$ | 244,211,878 |  |  |

## NOTE 13. RELATED ORGANIZATIONS

The Mayor of the Consolidated Government appoints the members of the Board of the Housing Authority of Columbus. The Development Authority of Columbus, Georgia provides incentives and other support, as well as the development of property for the economic benefit of the Consolidated Government and the surrounding area. The Council of the Consolidated Government appoints the members of the Authority. The Consolidated Government's accountability for these organizations does not extend beyond making appointments.

## NOTE 14. JOINT VENTURE

Under Georgia law, the Columbus Consolidated Government is a member of the River Valley Regional Commission and is required to pay dues thereto. The River Valley Regional Commission is located in the City and currently serves a total of sixteen counties. During the year ended June 30, 2024, the Consolidated Government paid \$205,617 in dues to the River Valley Regional Commission. Membership in the Regional Commission is required by O.C.G.A. § 50-8-34 which provides for the organization structure of a Regional Commission in Georgia. The Regional Commission Board membership includes the chief elected official of each county and municipality of the area. O.C.G.A. § 50-8-39 provides that member governments are liable for any debts or obligations of a Regional Commission. Separate financial statements may be obtained from the River Valley Regional Commission, 1428 Second Avenue, Columbus, Georgia 31902.

# NOTE 15. HOTEL/MOTEL LODGING TAX

The Consolidated Government has imposed an 8% hotel/motel tax on lodging facilities. Revenues collected during the year ended June 30, 2024, were \$7,342,008. These funds were disbursed to various entities for the promotion of tourism as follows:

| Hotel/Motel Tax Distributions                          |    |           |  |  |  |
|--|----|-----------|--|--|--|
|  |    |           |  |  |  |
| Columbus Convention and Visitors Bureau/Sports Council | \$ | 3,671,004 |  |  |  |
| Civic Center   |    | 1,835,502 |  |  |  |
| Columbus Trade and Convention Center                   |    | 917,751   |  |  |  |
| River Center for the Performing Arts                   |    | 917,751   |  |  |  |
|  |    |           |  |  |  |
| Total  | \$ | 7,342,008 |  |  |  |
|  |    |           |  |  |  |

## NOTE 16. DEFICIT FUND BALANCES/NET POSITION

The American Rescue Plan Fund reported a deficit fund balance of \$1,690,469, the Multi-Governmental Project Fund reported a deficit fund balance of \$272,272, the Workforce Innovation and Opportunity Fund reported a deficit fund balance of \$3,756, the Family Connection Partnership Fund reported a deficit fund balance of \$2,538, and the Employee Health Benefits Internal Service Fund reported a deficit fund balance of \$366,369 at June 30, 2024. The American Rescue Plan Fund, the Multi-Governmental Project Fund, the Workforce Innovation and Opportunity Fund, and Family Connection Partnership Fund deficits are intended to be eliminated through increased transfers from the General Fund. The Employee Health Benefits Internal Service Fund deficit is intended to be eliminated through changes for services from other funds.

## NOTE 17. TAX ABATEMENT PROGRAMS

As of June 30, 2024, the Consolidated Government provides tax abatement through four programs: the Industrial Revenue Bond program, the Enterprise Zone program, the Historic Preservation program and the Conservation Use Valuation Assessment ("CUVA") Program:

1) Industrial Revenue Bond Program – The Development Authority, which was created by City Ordinance #72-76 as authorized by Senate Bill 120, offers ad valorem property tax abatements to entice new and expanding companies to select the City as the location of their investment, thus providing local incentives based on investment and the creation of jobs. Actual incentives are based on project scope and discussions with the company. Application begins at the Development Authority. Property tax abatements are provided to a company that chooses to finance its capital investment (land, building and equipment) using Industrial Revenue Bonds ("IRB"s). Pursuant to IRB financing, title to the assets is vested in the local Development Authority and the project is leased to the company with the rent being used to pay the bonds. The specific tax abatement is determined by the local board of assessors upon recommendation by the Authority. Based on the level of the bond, full taxation of depreciated value is applicable for personal property between year 6 and year 11, and for real property between year 6 and year 21, or earlier if the lease is terminated. Certification of project completion is to be no more than 36 months from the date of bond closing. Each project will include the expansion of an existing facility or the creation of a new one, retaining jobs or creating a predetermined number of new jobs. These bonds typically have a 20-year term, however, some bonds have a 10-year term.

2) Enterprise Zone Program – This program was established by City Code Section 36-88-3 to revitalize the area's residential neighborhoods, while creating and retaining jobs for its residents. Business and residential developments, which plan to invest in these areas, are given special state and local tax incentives as well as other possible fee exemptions. Application begins at the Planning Department. Businesses/residential developments may receive tax abatements for the first ten years of operation, excluding property taxes imposed by school districts. The following describes the tax exemptions that a qualified business/residential development may receive for the first ten years of operation: year 1 - 5, 100%; year 6 - 7, 80%; year 8, 60%; year 9, 40%; year 10, 20%. These abatements have a 10-year term and are not renewable.

a) In order to be eligible for incentives, eligible businesses must: increase employment by five or more new full-time jobs; maintain the jobs for the duration of the tax exemption period; whenever possible, at least 10% of the new employees filling the jobs that satisfy the job creation requirement should be low or moderate income individuals; provide economic stimulus with sufficient quantity and quality as shall be determined by the local government; and such business or service enterprise may be new, an expansion, or reinvestment of an existing business or service enterprise, or a successor to such business or service enterprise.

### NOTE 17. TAX ABATEMENT PROGRAMS (CONTINUED)

b) To qualify for tax exemption for the housing enterprise zone, to include new residential construction, residential rehabilitation, or other rehabilitation of an existing structure, the value of the improvement must: exceed the value of the land by a ratio of five to one (exceptions apply to ANY entity); and in no event shall the value of the property tax exceptions granted to qualifying business or service enterprises within an enterprise zone created by the City exceed 10% of the value of the property tax digest of the jurisdiction.

c) Additional considerations for tax and fee abatements: capital investment or reinvestment by the project equal to or greater than the amount of ad valorem tax abated over the first five years of the tax incentive and consideration for meeting some or all of the following criteria: locating in a vacant building; demolishing a pre-existing or abandoned structure; assembling four or more tracts of land for one project; creating jobs above the state threshold; creating jobs for residents of the Columbus Business Development Center and surrounding areas; and Columbus' ordinance requires that projects receiving tax exceptions must choose to incorporate either landscaping requirement option or a facade material option. The ordinance also requires the exclusion of billboards from the property for the duration of the tax exemption period.

3) Historic Preservation Program – The Georgia Preferential Property Tax Assessment incentive, established by City Code Section 48-5-7.2, is designed to encourage the continued use of historic properties through rehabilitation. This incentive for Rehabilitated Historic Property is available to both private residential properties as well as income-producing properties. The certification process begins with Georgia Department of Natural Resources. Once certified and rehabilitation is complete, application is made at the Tax Assessors' Department. Property tax assessment freezes for eight years, with a partial exemption in year 9, returning to full taxation in year 10. The property may qualify thereafter as rehabilitated historic property if such property is subject to subsequent rehabilitation and qualifies under the same State Code provisions. In order for a property to be eligible, it must be a "certified structure," which means it must be listed in, or eligible for listing in, the Georgia/National Register(s) of Historic Places, either individually or as a contributing structure in a Georgia/National Register historic district. The Historic Preservation Division must certify the rehabilitation. If the property is eligible, but not yet listed in the Georgia/National Registers, the applicant must pursue getting it formally listed. Additionally, the property must be in the process of or has been substantially rehabilitated, provided that in the case of owner-occupied residential real property the rehabilitation has increased the fair market value of the building or structure by not less than 50%, or, in the case of income-producing real property, the rehabilitation has increased the fair market value of the building or structure by not less than 100%, or, in the case of real property used primarily as residential property but partially as income-producing property, the rehabilitation has increased the fair market value of the building or structure by not less than 75%. These abatements have a 10-year term with a renewable option based on the appraised value.

## NOTE 17. TAX ABATEMENT PROGRAMS (CONTINUED)

4) Conservation Use Valuation Assessment ("CUVA") Program – This program, established by City Code Section 48-5-7.4, is designed to protect property owners from being pressured by the property tax burden to convert their land from agricultural use to residential or commercial use. Application begins at the Tax Assessors' Department. Conservation use property is assessed at 40% of current use value which gives a reduced assessment to the owner of this type property when compared to other property assessed at 40% of fair market value. The property owner must keep the land undeveloped in a qualifying use for a period of ten years or incur stiff penalties. Owners who breach their conservation use covenant must pay back to the taxing authorities twice the savings they have received over the life of the covenant up to the point it was breached. These abatements have a ten-year term and are renewable.

| Tax Abatement Program                                       | Am | ount Abated |

|   | \$ | 9,142,862   |

## NOTE 18. ACCOUNTING CHANGE

Change to the Financial Reporting Entity – Change in Major Fund. In the current year, the Consolidated Government's 2021 Sales Tax Proceeds Fund and 2022 Sales Tax Projects Fund met the definition of a major fund. The effect of this change to the financial reporting entity reduced the nonmajor governmental funds fund balance as of July 1, 2023 by \$9,991,932 and \$26,526,526, respectively, as noted in the combining statement of revenues, expenditures, and fund balances – nonmajor debt service funds and capital projects funds included within the supplementary information section of this report.

# NOTE 19. NET INVESTMENT IN CAPITAL ASSETS

As required by the Government Finance Offers Association ("GFOA"), the following schedule provided the details of the net investment in capital assets classification of net position:

|                                  |    | Primary G                 | overnm | nent                       |
|----------------------------------|----|---------------------------|--------|----------------------------|

#### Notes to the Schedule:

The schedule will present 10 years of information once it is accumulated.

As of June 30, 2021, the Consolidated Government's OPEB plan did not have actuarially determined contributions, therefore, the schedule of government contributions is not presented.

As of June 30, 2022, the Consolidated Government's OPEB plan investments were fully invested in cash, therefore, the schedule of investment returns is not presented.

# NONMAJOR SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes. The Consolidated Government has 30 special funds based on the revenue source and the program purpose.

**Paving Fund** – To provide for the maintenance and improvements to the Consolidated Government's roads and bridges.

**Community Development Block Grant Fund ("CDBG")** – To account for grant monies received from the Department of Housing and Urban Development under the Community Development Block Grant Program.

**Economic Development Program Fund** – To account for monies loaned under the Consolidated Government's revolving loan fund.

**Economic Development – Development Authority Fund** – To provide funding for economic development activities to include working with local and regional entities in attracting quality companies, working to broaden the Muscogee County tax base, job creation and retention.

Multi-Governmental Project Fund – To account for grant monies received from various federal and state agencies.

**Community Care Fund** – To provide funding for indigent hospital care for the residents of Columbus, Georgia.

**Hotel/Motel Tax Fund** – To account for hotel/motel tax revenue designated for the funding of the Columbus Convention and Visitors Bureau, River Center for the Performing Arts, Columbus Sports Council, Columbus Trade and Convention Center and the Civic Center.

**County Drug Abuse Treatment Fund** – To account for additional penalties imposed by Georgia State Law 15-21-100, Article Six designated for drug abuse treatment and education programs relating to controlled substances and marijuana.

**Urban Development Action Grant Fund** – To account for loans and program income received from the Department of Housing and Development under the Urban Development Action Grant Program.

**Workforce Innovation and Opportunity Fund** – To account for grant monies received from the Department of Labor under the Job Training Partnership Act.

**Home Program Fund** – To account for grant monies received from the Department of Housing and Urban Development under the Home Investment Partnership Program.

**Vice/Special Operations Forfeitures Fund** – To account for monies forfeited under the Controlled Substances Act designated for the joint law enforcement activities of the Columbus Police Department and the Muscogee County Sheriff's Department.

**County Jail Fund/Penalty Assessment Fund** – To account for monies collected under the Jail Construction and Staffing Act (Ga. L 1989 p. 1753) to provide for constructing, operating, and staffing jails, correctional institutions and detention facilities of the Consolidated Government.

# NONMAJOR SPECIAL REVENUE FUNDS (CONTINUED)

**Marshal's Forfeiture Fund** – To account for monies received from federal and state forfeitures designated for Marshal department expenditures.

**Sewer Fund** – To provide for operation, maintenance and improvements to the Consolidated Government's storm sewer system.

Local Governments Share of Opioid Settlement Payments Fund – To account for the revenues from opioid settlement agreements.

**Down Payment Assistance ("DPA") Partner Program Fund** – To account for monies received from Columbus Housing Initiative to facilitate the City's administration of the Down Payment Assistance Program.

**Emergency Telephone Fund** – To account for telephone subscriber surcharge collections and the operations of the Emergency 911 system.

**Police Forfeiture Fund** – To account for monies received from federal and state forfeitures designated for Police Department expenditures.

**Sheriff's Forfeiture Fund** – To account for monies received from federal and state forfeitures designated for sheriff department expenditures.

**Law Library Fund** – To account for certain fees received from the various courts of the Government. The resources are restricted by state law for support of the Law Library.

**Family Connection Partnership Fund** – To account for revenues from the State of Georgia Department of Human Resources to provide funding to the Muscogee County Family Connection.

**TSPLOST Discretionary Fund** – To account for the collection of the discretionary portion of the TSPLOST proceeds and expenditures for transportation projects that are not capital projects.

**Recorder's Court Technology Fee Fund** – To account for the collection of a technology fee for Recorder's Court (House Bill 556).

**TAD #1 – Benning Technology Park Fund** – To account for monies received from the Tax Improvement District – Benning Technology Park.

**TAD #2 – 6th Avenue/Liberty District Fund** – To account for monies received from the Tax Improvement District – Sixth Avenue/Liberty District.

**TAD #3 – Uptown District Fund** – To account for monies received from the Tax Improvement District – Uptown District.

**TAD #4 – 2nd Avenue/City Mill District Fund –** To account for monies received from the Tax Improvement District – Second Avenue/City Mill District.

# NONMAJOR SPECIAL REVENUE FUNDS (CONTINUED)

**TAD #5 – Midtown West District Fund** – To account for monies received from the Tax Improvement District – Midtown West District.

**TAD #6 – Midtown East District Fund –** To account for monies received from the Tax Improvement District – Midtown East District.

**TAD #7 – Midland Commons District Fund –** To account for monies received from the Tax Improvement District – Midtown Commons District.

**TAD #8 – South Columbus River District Fund –** To account for monies received from the Tax Improvement District – South Columbus River District.

# NONMAJOR DEBT SERVICE FUNDS

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for principal and interest. The Consolidated Government has one Debt Service Fund.

**2021 Sales Tax Proceeds Fund (major fund)** – To account for the accumulation and disbursement of funds for the interest and principal redemption requirements for general obligation bond issues.

**Debt Service Fund** – To account for the accumulation and disbursement of funds for the interest and principal redemption requirements of the general obligation bond issues, Columbus Building Authority lease contracts, and Water Commissioners revolving loan contract.

# NONMAJOR CAPITAL PROJECTS FUNDS

Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Consolidated Government has nine Capital Projects Funds financed by interfund transfer of general revenues, revenue bonds, loan proceeds and sales tax proceeds.

**G.O. Sales Tax Bond Series 2022 Fund (major fund) –** To account for proceeds of the 2022 general obligation bonds for the cost of acquiring, constructing, and equipping new judicial facilities.

**Special Projects Fund (major fund) –** To account for projects supported by the General, Sewer, Paving, and Integrated Waste Management Funds.

**TSPLOST Projects Fund (major fund) –** To account for capital transportation projects financed from T-SPLOST funds (O.C.G.A 48-8-244).

**2022 Sales Tax Projects Fund –** To account for projects supported by the 2022 Sales Tax Proceeds Account included road projects and acquisition, constructions and equipping of various capital projects.

**1999 Sales Tax Projects Fund –** To account for projects supported by the 1999 Sales Tax Proceeds Account including road projects and acquisition, construction and equipping of various capital projects.

**Bond & Lease Purchase Pool Fund –** To account for proceeds of the GMA Lease Purchase Program for acquisition of equipment.

**Columbus Building Authority Capital Improvement Lease Revenue Bonds, (Taxable – Build America Bonds) Series 2010B –** To account for proceeds of the 2010B capital improvement lease revenue bonds for construction of Fire/EMS stations, City Service Center and Parking Garage, Natatorium Swimming facility, Recycling/Sustainability Center, road construction and stormwater enhancements.

**Columbus Building Authority Taxable Lease Revenue Bonds, Series 2003B –** To account for proceeds of the 2003B taxable lease revenue bonds for construction and equipping of two parking garages.

**Columbus Building Authority Lease Revenue Bonds, Series 2003A –** To account for proceeds of the 2003A lease revenue bonds for construction and equipping of two new fire stations, stormwater enhancements, road and street resurfacing/reconstruction, 800 MhZ Tower, Parking Lot/Deck, Skate Park SuperCenter and expansion of the Columbus Georgia Convention and Trade Center.

**Columbus Building Authority Capital Improvement Lease Revenue Bonds, (Taxable – Recovery Zone Development Bonds) Series 2010C** – To account for proceeds of the 2010C capital improvement lease revenue bonds for construction/reconstruction and resurfacing of local roads, streets and bridges.

**Columbus Building Authority Capital Improvement Lease Revenue Bonds, Series 2018 –** To account for proceeds of the 2018 capital improvement lease revenue bonds for construction and improvements to the existing Government Center and South Commons Softball Complex and for needs assessment studies related to the construction of a new Government Center.

# NONMAJOR CAPITAL PROJECTS FUNDS (CONTINUED)

**Columbus Building Authority Lease Revenue Bonds, Series 2022A –** To account for proceeds of the 2022A lease revenue bonds for the acquisition of land in downtown Columbus, together with buildings, a parking deck and related facilities thereon, and the renovation and improvement of the buildings, structures, and facilities for us a government center.

**Columbus Building Authority Taxable Lease Revenue Bonds, Series 2022B –** To account for proceeds of the 2022B taxable lease revenue bonds for the renovation of one of the buildings and a portion of the renovation costs of the parking deck that were acquired with the 2022A lease revenue bonds.

**Columbus Building Authority Taxable Lease Revenue Bonds, Series 2022C –** To account for proceeds of the 2022C taxable lease revenue bonds for the acquisition, renovation, and equipping of a government use as a the Sheriff's administrative office.

**Columbus Building Authority Taxable Lease Revenue Bonds, Series 2024 –** To account for proceeds of the 2024 taxable lease revenue bonds for the acquisition, renovation, improving, and equipping Golden Park, a historic baseball stadium, and other improvements to the South Commons area of Columbus, Georgia.

# **PERMANENT FUND**

Permanent funds are used to account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs, for the benefit of the government or its citizens. The Consolidated Government has one permanent fund.

**Cemetery Perpetual Care Fund** – To account for revenues and maintenance of the Linwood, Riverdale and Porterdale Cemeteries.

# **PROPRIETARY FUNDS – INTERNAL SERVICE FUNDS**

Proprietary Funds are used to account for governmental business activities. Enterprise Funds account for external activities that are usually self-sustaining, principally through user charges for services rendered. They are operated as a separate enterprise and the accounting records are maintained on the same basis as a commercial business. The Consolidated Government has two Internal Service Funds. The Internal Service Funds account for services performed by a central service department for other departments or agencies of the government.

# Internal Service Funds

**The Employee Health Benefits Fund** – The Employee Health Insurance Fund was established for the purpose of providing self-funding for medical claims.

**The Risk Management Fund** – The Risk Management Fund was established for the purpose of providing self-funding for vehicle claims and workers' compensation management.

# **FIDUCIARY FUNDS**

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government. When these assets are held under the terms of a formal trust agreement, either a pension trust fund, a private purpose trust fund or permanent fund is used. Custodial funds generally are used to account for assets that the government holds on behalf of others as their agent. The Consolidated Government uses the following fiduciary funds:

**Pension Trust Funds** are used to account for activities related to the public employee retirement systems. The Consolidated Government maintains a Pension and Benefit Trust Fund which accounts for the assets and activities of the Consolidated Government's pension, major disability, and death benefit.

**Other Post-Employment Benefits Fund** is used to account for activities related to the other post-employment benefits for public employees. The Consolidated Government maintains a Benefit Trust Fund which accounts for the assets and activities of the Consolidated Government's other post-employment benefit plan.

**Custodial Funds** are used to account for assets held by the Consolidated Government as an agent or cash conduit for individuals, private organizations, other governments, and the Consolidated Government departments. The Consolidated Government maintains the following Custodial Funds:

Clerk of Superior Court Clerk of Municipal Court Probate Court Adult Probation Sheriff Tax Commissioner Magistrate Court

| Muscogee County School District   |     | 33,038,553    | 100%   |    | 33,038,553  |
| Total Direct and Overlapping Debt | \$  | 355,506,943   |  | \$ | 355,506,943                                       |

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the Consolidated Government.

<sup>(1)</sup> The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the School District's taxable assessed value that is within the Consolidated Government's boundaries and dividing it by the School District's total taxable assessed value. Due to consolidation, the School District's boundaries are the same as the Consolidated Government's.

#### LEGAL DEBT MARGIN INFORMATION LAST TEN YEARS

Note: Under state finance law, the Consolidated Government's outstanding general obligation debt should not exceed 10% of total assessed property value. By law, the general obligation debt subject to the limitation may be offset by amounts set aside for repaying general obligation bonds.

 $^{(1)}$  Marshal's Office merged with Sheriff's Office during Fiscal Year 2021

(2) Engineering updated and cleaned their database of city streets in 2021 and found several miles of streets that were actually private and not public roads. New total as of 2021 has been verified.
